

## CONSTRUCTION HIGHLIGHTS

**Lane Reduction at NB I-5 Avenida Vista Hermosa On-Ramp:** The Avenida Vista Hermosa straight on-ramp to northbound I-5 will be reduced to one lane for up to two weeks, beginning at 10 p.m. Friday, March 17. The closure is necessary to complete guardrail work. Please expect delays.

**PCH / Camino Las Ramblas Closures:** Nighttime work is scheduled the week of March 20 - 24 on the hardscape between the ramps at southbound I-5 and PCH / Camino Las Ramblas. The work will require closing the left-turn lane of the southbound I-5 off-ramp to eastbound Camino Las Ramblas; the southbound I-5 loop on-ramp from westbound Camino Las Ramblas; and the ramp from southbound PCH to southbound I-5.

Motorists also will not be able to access eastbound Camino Las Ramblas from PCH. The off-ramp from southbound I-5 to PCH will remain open. Motorists will be detoured to Doheny Park Road.

**Pico NB I-5 Off-Ramp / On-Ramp Saturday Closures:** The northbound I-5 off- and on-ramps at Avenida Pico are expected to close from 10 p.m. to 5 a.m. Saturday, March 18, and again on Saturday, March 25. The closures are necessary to install lighting.

**Nighttime Avenida Pico Closures:** Avenida Pico nighttime closures are expected to continue from 10 p.m. to 5 a.m. Monday through Friday through early April. The northbound I-5 off- and on-ramps, as well as the southbound I-5 on-ramp also will be closed during this time. Use Avenida Vista Hermosa and Calle Frontera as detours.

During the closures, crews are installing falsework for the Avenida Pico bridge, as seen below:
