CONSTRUCTION HIGHLIGHTS

Freeway Restriping: Crews will be restriping northbound and southbound I-5 lanes and ramps from **Camino de Estrella** to **Avenida Vista Hermosa** from 10 p.m. to 5 a.m. tonight, Friday, April 28. Motorists should expect intermittent lane and ramp closures.

Daytime Camino de Estrella Ramp Closures: Crews will be installing a safety curb between the two northbound I-5 ramps at eastbound Camino de Estrella from 7 a.m. to 3 p.m. May 3-5 and May 8-9. The work will require the following ramp closures:

- The northbound I-5 off-ramp is set to be reduced to one lane; and
- The eastbound Camino de Estrella loop on-ramp will be completely closed.

Drivers should use caution and expect delays.

Median Demo Work: Crews on Thursday, May 4, are scheduled to begin nighttime demolition of the I-5 median barrier and adjacent pavement between Camino Capistrano and Camino de Estrella. Work is expected to last through the end of June.

Nighttime Pico Closure: Avenida Pico will be closed at the freeway from 10 p.m. to 5 a.m. Friday, May 5, to allow crews to safely pour concrete for the bridge stems and soffit, part of the bridge's infrastructure. The northbound I-5 Pico off- and on-ramps also will be closed. Use Avenida Vista Hermosa and Calle Frontera as detours.

Daytime Camino de Estrella Lane Reduction: The right lane on westbound Camino de Estrella is scheduled to be closed from 9 a.m. to 4 p.m. May 10-12 and May 15-16 to repair a drain inlet and sidewalk. The lane will be closed from Calle Naranja to the northbound I-5 on-ramp. The on-ramp will remain open.
