**FOR IMMEDIATE RELEASE**

### **STREET CONSTRUCTION IMPROVEMENTS ON NORTH EL CAMINO REAL**

#### ***Two-night closures with detours provided***

June 22, 2017...San Clemente, California... The construction of street improvements on North El Camino Real between Avenida Estacion and Camino Capistrano are well underway with a target completion date of mid-July 2017.

To facilitate the completion of the paving on North El Camino Real, the Contractor, GMC, will need to close the segment of roadway between Camino Capistrano and Avenida Estacion during two night closures. The closures will occur on:

- Monday, 8:30 p.m., June 26, 2017 to Tuesday 5:00 a.m. June 27, 2017, and
- Tuesday, 8:30 p.m., June 27, 2017 to Wednesday 5:00 a.m. June 28, 2017.

The closures will have detours as shown on the plan in the map provided with this press release. Access to homes in the communities adjacent to N. El Camino Real will be maintained at all times. Following the paving operations, the street will be re-opened. Please plan alternative routes during this time period and adhere to the detour routes.

The City of San Clemente greatly appreciates the public's patience and cooperation as it improves the street network. If you have any questions about the project, please contact Tom Frank, Transportation Engineering Manager at (949) 361-6127.
