**A. 1031 Calle Trepadora Suite A – Conditional Use Permit 13-217 – Hangar 18 Indoor Climbing Gym (Jones)**

A request to consider a commercial recreation use in the Rancho San Clemente Business Park at 1031 Calle Trepadora, Suite A. The subject property is located in the Rancho San Clemente Specific Plan designated as Business Park (BP). The legal description of the property is Lot 30 of Tract 12402, Assessor's Parcel Number 688-142-13.

Cliff Jones, Associate Planner, narrated a PowerPoint Presentation entitled, "Hanger 18 Indoor Climbing Gym, Conditional Use Permit 13-217, dated October 2, 2013." He advised that signage for the project would be submitted separately. Staff recommended approval of the request as conditioned.

Vice Chair Brown established from staff that the owner of the building is aware that approval of this project will restrict future and existing tenants of the other units from using the parking spaces outside of the stated use period, i.e. when/if employees work overtime, and that the parking agreement will limit the use of existing spaces on site in the future.

Chair Darden established from staff that if issues arise, tenants can complain to the building owner and/or call code enforcement to lodge a complaint.

Alura Aguilera, project architect, noted plans for the project include updating the interior to be ADA accessible, restroom improvements/updates, removal/relocation of interior walls, and updated lighting, flooring, etc. With regard to the parking agreement, she noted extensive dialog with owner, tenants and staff to ensure all issues are addressed. She noted the proposed facility is a new use not currently featured in the City, designed for use by both children and adults, and promotes active lifestyles. The facility's yoga and climb instructors are present this evening for questions. She noted the tenant is well aware of the parking requirements and will ensure gym participants do not exceed the maximum number of parking spaces.

In response to a question, Courtney, Yoga and Pilates Instructor, advised that classes will be staggered with at least 15 minutes in between to allow class participants to exit and new class participants to arrive. In the case of many of the classes, there will be at least an hour in between.

Chair Darden opened the public hearing, and there being no public testimony, closed the public hearing.

IT WAS MOVED BY VICE CHAIR BROWN, SECONDED BY COMMISSIONER KAUPP, AND UNANIMOUSLY CARRIED TO ADOPT RESOLUTION NO. PC 13-036, A RESOLUTION OF THE PLANNING COMMISSION OF THE CITY OF SAN CLEMENTE, CALIFORNIA, APPROVING CONDITIONAL USE PERMIT 13-217, TO ALLOW A COMMERCIAL RECREATION USE AT 1031 CALLE TREPADORA, SUITE A.
