The Commission will review the LUE text and possible wording changes suggested by City staff. The LUE addresses the types, locations and distribution, intensity and general development standards for all land uses in the City. The City's general plan consultant will also address potential traffic effects of various land use changes proposed in the Draft General Plan. The Draft General Plan is available at http://san-clemente.org/sc/Services/planning/GeneralPlan/PublicHearingDraftCombined_vers050113.pdf. This is a public meeting and public comments are welcome.

The Draft Plan was prepared by the City's consultant, The Planning Center, with extensive input received during over 60 public workshops and meetings held by the General Plan Advisory Committee (GPAC), a 25-member citizen committee appointed by the City Council, and the City's Planning Commission. The Commission will review draft goals, policies and programs and may change, delete or add language to the draft elements during its reviews. When it completes its review of all 12 Draft General Plan chapters, or "elements", the Commission will forward a recommended Draft General Plan to the City Council for adoption. Once adopted, the Centennial General Plan will help guide public and private decisions regarding land use, fiscal issues, capital improvements, public safety and many other important aspects of San Clemente's character and quality of life through 2028.
