Subject: *ESTABLISHMENT OF WEED ABATEMENT PROGRAM FOR 2013*

Summary: In March of each year the City Council adopts a Resolution (Attachment #1) pursuant to the Government Code, Section 39561, which finds and declares weeds and trash on specific parcels of property to be a seasonal and recurrent nuisance. These properties are specified in the Resolution. This Resolution sets a public hearing (in accordance with Section 39568 of the Government Code) to consider all objections to the proposed abatement. Each listed property owner will be notified of the public hearing/abatement process as required by Section 39567.1 of the Government Code.

The City of San Clemente Code Compliance Division administers the City's Weed Abatement Program. In early March, the City's Weed Abatement Contractor compiles a list of all vacant properties using the County Assessors' database. At the second meeting in March, Council is requested to adopt a resolution that opens the weed abatement process for the year. It will set a Public Hearing for the first Council Meeting in May to hear objections to the weed abatement process. Attached to the Resolution is the list of properties to be included in the program

Following the March resolution, a letter of notification is then mailed to vacant property owners on or about April 1, 2013. This letter gives the owners until May 15, 2013 to clear their properties. The letter notifies owners of these vacant properties of the need for the removal of weeds, trash and debris, and the requirement to maintain their properties in this manner for the remainder of the calendar year. The intent of this procedure is to reduce the possibility of weed and debris fires in San Clemente. The public hearing held at the first Council meeting in May results in the "Order to Abate" by resolution, after which time the vacant properties can be cleared by the City's Weed Abatement Contractor. After this Council approval, the City Weed Abatement Contractor will clean the properties not cleared by their owners by May 15th.

On March 6, 2012 the First Amendment to Professional Services Agreement for Weed Abatement Services was approved by City Council. The agreement

continued the Administration Fee cost of \$200 per property for non-compliant property owners. Historically, the City Council has waived the City's notification costs for postage, paper and staff for the compliant property owners.

Recommended

Action: STAFF RECOMMENDS THAT the City Council initiate the process and weed abatement program for 2013 by adopting Resolution No. _____ entitled A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SAN CLEMENTE, CALIFORNIA, PURSUANT TO SECTION 39561 AND 39562 OF THE CALIFORNIA GOVERNMENT CODE DECLARING WEEDS, RUBBISH, REFUSE, AND DIRT UPON STREETS, SIDEWALKS, PARKWAYS, AND PRIVATE PROPERTY TO BE PUBLIC NUISANCES AND PROVIDING FOR THE ABATEMENT THEREOF.

Fiscal Impact: The City pays the Weed Abatement Contractor the costs to clear City owned lots. After May 15th, privately owned lots not cleared by the property owners (non-compliant) are cleared by the Weed Abatement Contractor with those costs paid by the City. The City then assesses an administrative fee of \$200 per lot to the non-compliant property owners. The City then bills the non-compliant property owners the cost to clear their lots plus the \$200 administrative fee, to recover the cost for clearing the lots. Unpaid bills are sent to the County for placement of liens to recover these costs. The City's notification costs (postage, paper and staff) to the vacant lots and vacant structured property owners have been waived by Council. Last year, the cost waived totaled \$2,140.16. In the last three (3) years, the cost of abatement has been: (2010) \$123,088.20, (2011) \$100,996.77 and (2012) \$127,788.24. The cost to clear City owned lots in 2012 was \$107,928.20.
