### **THE COMMUNITY IS INVITED TO A MAYOR'S WALK OF THE MARBLEHEAD COASTAL PROPERTY**

March 6, 2014....San Clemente, California...On Saturday, March 22, 2014 at 10:00 a.m. Mayor Tim Brown will lead a Mayor's Walk of the Marblehead Coastal commercial property. The public is invited to join the Mayor and learn all about the Outlets at San Clemente Plaza commercial development planned for San Clemente. The property owner and developer, Steve Craig of Craig Realty Group will participate and answer questions.

Parking is available at the end of Avenida Vista Hermosa. Once at the dead-end, people should turn right into the parking lot. This will be the meeting place for the walk which is expected to last an hour and a half to two hours. Participants should wear good walking shoes and bring a water bottle. The walk is not conducive to strollers or walkers.

Craig Realty Group will begin construction on March 31, 2014, with an estimated June 2015 completion date, and a grand opening in the fall of 2015. "This is an opportunity for residents of San Clemente to become reacquainted with a project that will have a significant impact on San Clemente for years to come", commented Mayor Tim Brown. "For those who wish to know more and get a firsthand view of the site, this is an excellent opportunity to get a preview of the outlets of San Clemente."
