

Memorandum Planning Division

September 10, 2014

To:

Planning Commission, City of San Clemente

From:

Jim Pechous, City Planner

Subject: Staff Waivers August 27, 2014 through September 8, 2014

This memorandum provides details regarding Staff Waivers recently approved by the Planning Division.

Analysis

Pursuant to San Clemente Municipal Code (Section 17.16.110), staff waivers may be requested for any exterior modifications, alterations, or additions requiring an Architectural/Cultural Heritage Permit or Minor Architectural/Cultural Heritage Permit. The purpose of the staff waiver is to streamline the permitting process for projects so minor in scope they do not substantially alter the visual appearance or architectural integrity of the subject property or structure.

Conclusion

Following my review in light of the Municipal Code and the interests of the community, I have approved the requests listed on the following page. These waivers shall remain in effect unless appealed to the Planning Commission pursuant to Section 17.12.140 of the Zoning Ordinance.
