Subject: *ESTABLISHMENT OF WEED ABATEMENT PROGRAM FOR 2015.*

Fiscal Impact:

1. The City assesses an administrative fee of \$200 per lot to the non-compliant property owners.
2. The City then bills the non-compliant property owners the cost to clear their lots plus the \$200 administrative fee.
3. Unpaid bills are sent to the County for placement of liens to recover these costs.
4. In the last three (3) years, the cost of abatement has been: (2012) \$127,788.24 (2013) 139,870.73 and (2014) 134,870.25
5. The City pays the Weed Abatement Contractor the costs to clear City owned lots. The cost to clear City owned lots in 2014 was \$78,368.
6. Historically, the City Council has waived the City's notification costs for postage, paper and staff for the compliant property owners. Last year, the cost waived totaled \$6,185.07.

Summary: Staff recommends that Council adopt the resolution that opens the weed abatement process and initiates the Weed Abatement Program for 2015. The intent of this procedure is to reduce the possibility of weed and debris fires in San Clemente.

Background: The City of San Clemente Code Compliance Division administers the City's Weed Abatement Program. In early March, the City's Weed Abatement Contractor compiles a list of all vacant properties using the County Assessors' database. Each listed property owner will be notified of the public hearing/abatement process as required by Section 39567.1 of the Government Code.

The public hearing held at the first Council meeting in May results in the "Order to Abate" by resolution, after which time the vacant properties can be cleared by the City's Weed Abatement Contractor. Attached to the Resolution is the list of properties to be included in the program. After Council approval, the City Weed Abatement Contractor will clean the properties not cleared by their owners by May 15th.

Discussion: In March of each year, the City Council adopts a Resolution (Attachment #1) pursuant to the Government Code, Section 39561, which finds and declares weeds and trash on specific parcels of property to be a seasonal and recurrent nuisance. These properties are specified in the Resolution. This Resolution sets a public hearing (in accordance with Section 39568 of the Government Code) to consider all objections to the proposed abatement.

Following the March resolution, a letter of notification is then mailed to vacant property owners on or about April 1, 2015. The letter notifies these owners of vacant properties of the need for the removal of weeds, trash and debris, and the requirement to maintain their properties in this manner for the remainder of the calendar year. This letter gives the owners until May 15, 2015 to clear their properties.

Council is requested to adopt a resolution that opens the weed abatement process for the year. It will set a Public Hearing for the first Council Meeting in May, to hear objections to the weed abatement process.
