Personalized performance information is provided to account holders as a general approximation of the overall recent performance of your account. It is calculated based on a formula which estimates the equivalent rate of return during the stated period, based on the opening balance, transaction activity including any applicable fees, and closing balance. Performance calculations will not include loan balance. Past performance is not a guarantee or prediction of future investment results.

² Due to financial activity effective prior to this annual period, your Annual Individual Rate of Return was calculated using a beginning balance of \$19,841,278.04.

After this 90 days, this account information shall be deemed accurate and acceptable to you. If you notify the Company of an error after this 90 days the correction will only be processed from the date of notification forward and not on a retroactive basis.

Some of the plan's administrative expenses for the preceding quarter may have been paid from the total annual operating expenses (investment expenses) of one or more of the plan's investment options.

Pursuant to SEC rules, fund companies are required to enter into agreements with intermediaries to provide fund companies with the ability to identify and enforce restrictions on participants engaging in market timing or excessive trading (prohibited trading), as defined by the fund companies. Participants engaging in prohibited trading will receive a warning and, if the prohibited trading continues, will be restricted from transferring into the identified fund(s) for a specific time period determined by the fund company. Some fund companies may restrict participants immediately, without warning when prohibited trading is identified. At the end of the restriction period, the participant will be automatically allowed to resume transfers into the identified fund(s). Transfers out of the identified fund (s) will not be restricted.
