Subject: PARKING PROHIBITION ON AVENIDA DE LA ESTRELLA.

Fiscal Impact: None.

Summary: The Planning Commission and staff recommend that the City Council approve prohibiting parking at the location shown on the attached map for Avenida De La Estrella. The purpose of the proposed parking prohibition is to respond to requests and to improve traffic line of sight conditions.

Background: Avenida De La Estrella is a collector street that is 40 feet wide from curb to curb. Parking is permitted on both sides of the street. Staff received a request to establish a no parking zone on Avenida De La Estrella at the alternate driveway serving the 500 block of El Camino Real businesses. The concern is that vehicles parked on the south side of Avenida De La Estrella adjacent to the driveway limit the line of sight for drivers exiting subject parking lot. Based on the site review and additional parking available in the parking lot, staff recommends prohibiting parking on the south side of Avenida De La Estrella at the subject driveway for 20 feet on the west side of the driveway. Prohibiting parking for 20 feet would result in the loss of approximately one parking space, however, the adjacent parking lot includes over 50 parking spaces.

At its regular September 3, 2014 meeting, the Planning Commission approved staff's recommendation as described herein.

A notice of intention to consider the installation of the no-parking zone was sent to all adjacent property owners and businesses.

Recommended

Action: PLANNING COMMISSION AND STAFF RECOMMEND THAT the City Council:
