SAN CLEMENTE CITY COUNCIL MEETING  
Meeting Date: March 15, 2016

Agenda Item 6EJ

**Approvals:**

City Manager JM

Dept. Head WEC

Attorney SS

Finance JV

**Department:** Public Works / Engineering  
**Prepared By:** Tom Bonigut, Deputy Public Works Director

**Subject:** *GRANT FUNDING APPLICATION TO CALIFORNIA DIVISION OF BOATING AND WATERWAYS.*

**Fiscal Impact:** Yes. Receipt of this grant will reduce the City's cost sharing contribution for the construction of the U.S. Army Corps of Engineers sand replenishment project to about \$600,000.

**Summary:** This action is to formally approve, by resolution, an initial grant application submitted by staff to the California Division of Boating and Waterways for funding assistance with the U.S. Army Corps of Engineers beach sand replenishment project.

**Discussion:** The U.S. Army Corps of Engineers received congressional authorization for a sand replenishment project on the City's beach between Linda Lane and south T-Street beaches. The estimated cost of the initial sand placement is about \$11 million, with the City's required cost sharing contribution estimated at about \$4 million. Staff submitted an initial application to the California Division of Boating and Waterways under its Public Beach Restoration program for grant funding to help the City provide the required local cost sharing contribution. The application requested \$3.4 million which is the maximum grant funding that could be provided subject to State funding availability. The grant program rules require submittal of a resolution by the City Council before March 31, 2016 to ratify the grant funding application. If the City receives the full grant amount, the City's remaining share of the required cost sharing contribution would be reduced to about \$600,000.

**Recommended Action:** STAFF RECOMMENDS THAT the City Council adopt Resolution No. \_\_\_\_\_ titled "A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SAN CLEMENTE, CALIFORNIA, APPROVING THE APPLICATION FOR GRANT FUNDS UNDER THE CALIFORNIA DIVISION OF BOATING AND WATERWAYS PUBLIC BEACH RESTORATION PROGRAM FOR CONSTRUCTION OF THE U.S. ARMY CORPS OF ENGINEERS BEACH SAND REPLENISHMENT PROJECT."

**Attachment:** Resolution.
