

# AGENDA REPORT

BEACHES, PARKS & RECREATION COMMISSION  
Meeting Date: September 13, 2016

Agenda Item 5. A.  
**Approvals:**  
Dept. Head ES  
Asst. Director BP  
Admin. Asst. MS

**Department:** Beaches, Parks, and Recreation  
**Prepared By:** Pamela Passow, Assistant Beaches, Parks and Recreation Director

**Subject:** *AQUATICS HOURS AND PROGRAMMING.*

**Fiscal Impact:** No. The programming and hours recommended by staff are in Fiscal Year 2017 budget.

**Summary:** Staff recommends that the Beaches, Parks and Recreation Commission approve the recommended hours and programming for the San Clemente Aquatics Center and Ole Hanson Beach Club.

**Background:** The Ole Hanson Beach Club (Beach Club) was closed for renovations in March 2012 and the San Clemente Aquatics Center (Aquatics Center) was opened in February 2012. All of the programming that was held at the Beach Club was moved to the Aquatics Center, and additional programming was added. The Beach Club has a 25 yard pool and a teaching pool. The Aquatics Center has a 25 yard pool, a 50 meter pool, and a water play feature.

**Discussion:** The City of San Clemente has never operated two aquatics centers simultaneously in the past. As such, until they have been opened for an extended period of time, it is unknown what the impact on both facilities and programming will be. The City Council approved 105 programming hours during the budget process. The hours can be adjusted; however, the costs to operate the facilities should not exceed the current budget.

The recommended schedule takes into account the current users of the Aquatics Center and the past users of the Beach Club. The goal is to be able to have two centers that complement each other in programming, rather than competing against each other.

As part of this process, staff sent 2,930 notifications via email and mail regarding this meeting to all of the patrons of the San Clemente Aquatics Center that have utilized the center the past year, as well as to the patrons of the Ole Hanson Beach Club that used the facility the last year it was open. In addition, public notices were placed at the San Clemente Aquatics Center and publicized on the City's website and social media in an effort to reach the past, current, and potential users of both aquatics facilities.

***Recommended***

**Action:** STAFF RECOMMENDS THAT the Beaches, Parks and Recreation Commission approve the recommended schedule and programming for the San Clemente Aquatics Center and the Ole Hanson Beach Club.
