Following discussion, Council provided direction as follows: 1) Staff is to reach out to the OCTA to obtain better timing for the highway component of the LRTP and ensure that San Clemente is involved in a meaningful manner; 2) Staff is to prepare a Decision Package for Council consideration during the FY 17/18 budget deliberations that addresses the cost of an Arterial Network Feasibility Study, cost to retain a consultant who would be dedicated to a toll road solution, and cost to engage a lobbyist or consultant who would represent San Clemente's interests at the legislative level.
