

# AGENDA REPORT

SAN CLEMENTE CITY COUNCIL MEETING  
Meeting Date: September 5, 2017

Agenda Item 6-G

**Approvals:**

City Manager [Signature]

Dept. Head [Signature]

Attorney [Signature]

Finance [Signature]

**Department:** Public Works / Engineering Division DR  
**Prepared By:** Amir K. Ilkhanipour, Senior Civil Engineer AMEI

**Subject:** **APPROVE PROFESSIONAL SERVICES AGREEMENT WITH PACE, INC. FOR THE WATER RECLAMATION PLANT LOS MOLINOS LIFT STATION GENERATOR REPLACEMENT, PROJECT No. 17202.**

**Fiscal Impact:** Yes. There is adequate funding for the proposed \$123,435 expenditure within the project budget of \$258,000 from the Sewer Fund Depreciation Reserve.

**Summary:** Staff recommends the City Council approve a Professional Services Agreement with PACE for design of the Water Reclamation Plant Los Molinos Lift Station Generator Replacement.

**Background/ Discussion:** The Los Molinos Lift Station is a critical facility located at the Water Reclamation Plant that pumps approximately one-third of the City's sewage to the headworks process. This lift station was rehabilitated in 2013 to replace the electrical system and some mechanical improvements, but the generator was not replaced as part of the project. The generator is over 25 years old and has met its useful life. A new generator is proposed to ensure system reliability and emission compliance with California Air Resources Board regulations.

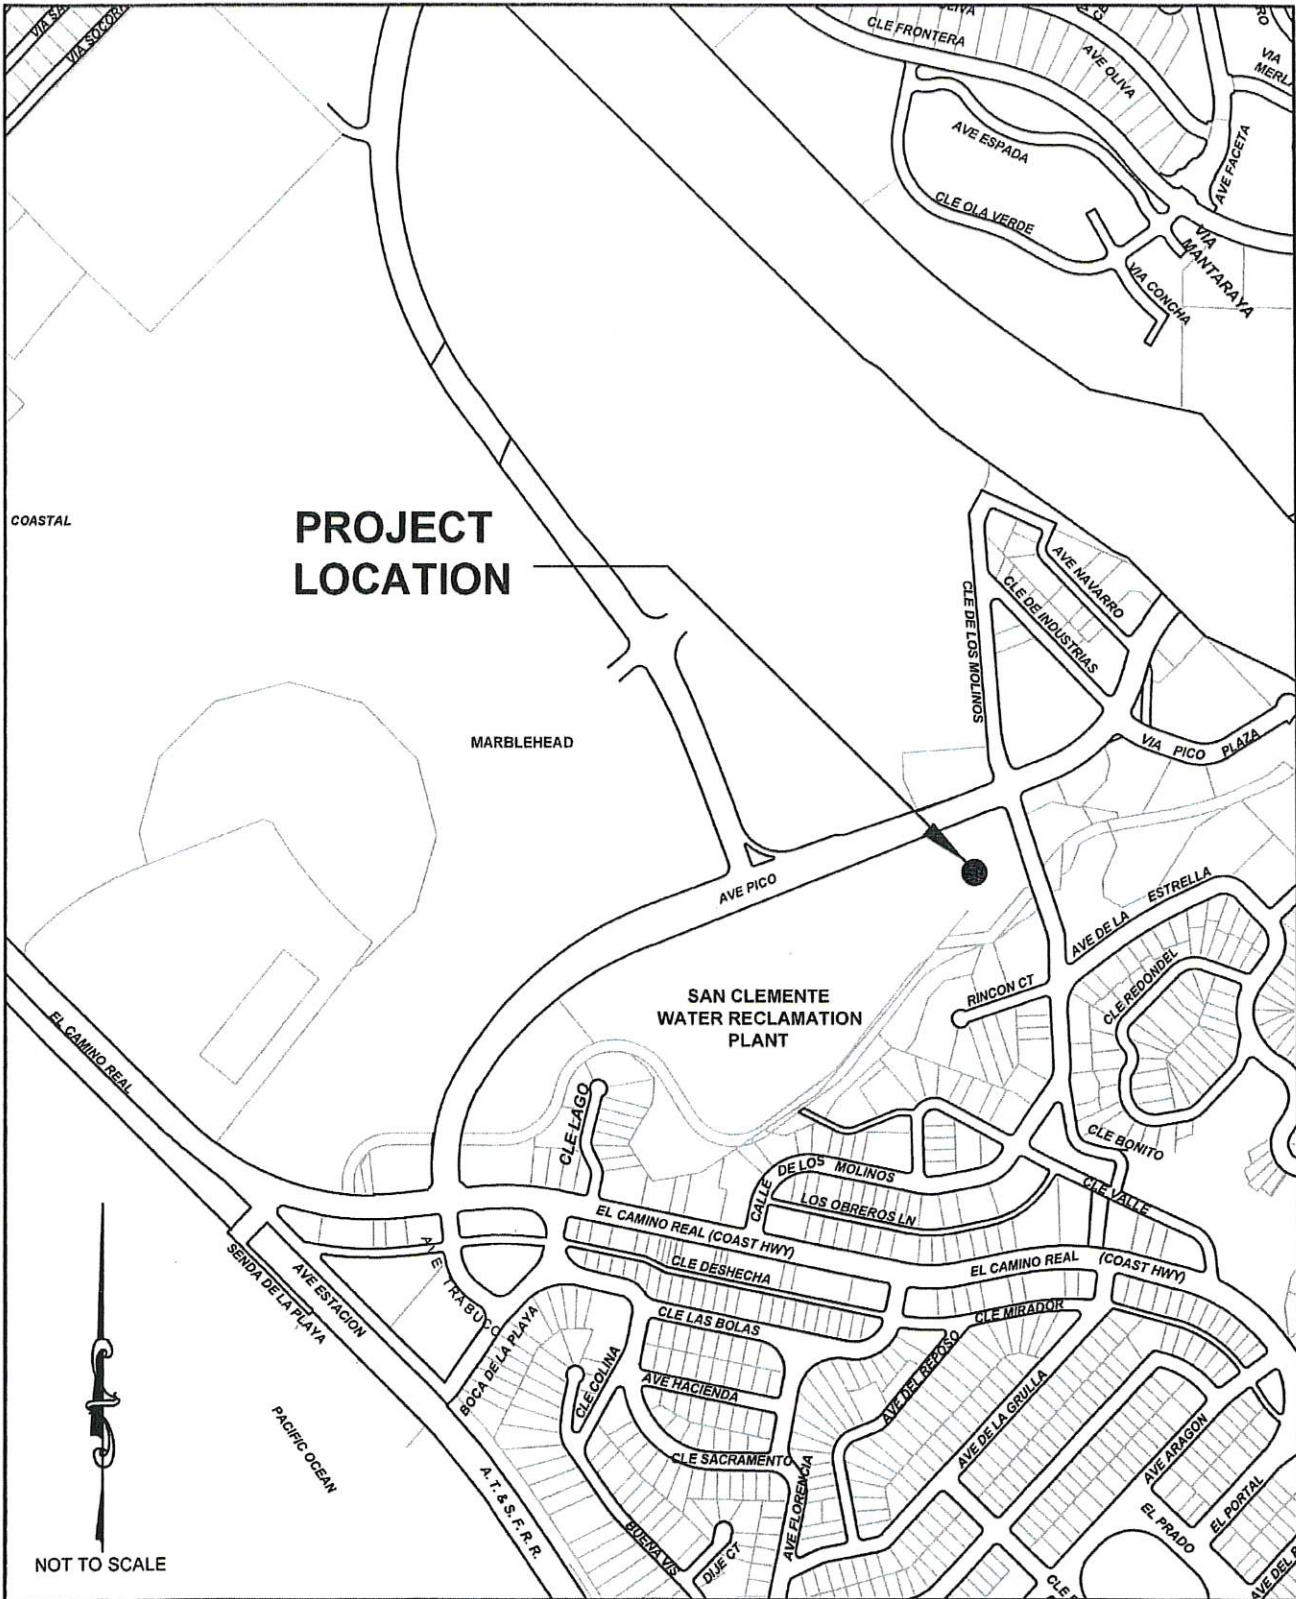

Staff prepared and sent Requests for Proposals to five firms (PACE, Stantec, AKM Consulting Engineers, Carollo Engineering, Inc. and Black & Veatch Corporation) with plant processing equipment experience. One proposal was received from PACE in the amount of \$123,435. Upon reviewing PACE's proposal, it was concluded that the proposal meets the scope of work and that PACE is qualified to perform the requested work. In addition, PACE has successfully completed several City projects within the Water Reclamation Plant. The proposed Professional Services Agreement and scope of work are available for review in the City Clerk's office.

**Recommended Action:** STAFF RECOMMENDS THAT the City Council approve and authorize the Mayor to execute Contract \_\_\_\_\_, by and between the City of San Clemente and PACE, providing design service for Water Reclamation Plant Los Molinos Lift Station Generator Replacement, Project No. 17202, in the amount of \$123,435.

**Attachments:** Location Map

**Notification:** None.
