The California Coastal Commission (CCC) will hold a public hearing on the City of San Clemente Draft Local Coastal Program (LCP) Comprehensive Land Use Plan Update on Thursday, December 14, 2017.

The item is #19a - City of San Clemente LCP Amendment No. 1-16 (LCP-5-SCL-16-0012-1 Comprehensive LUP Update). CCC staff will conduct an initial public hearing on, and have Commission discussion of, the City of San Clemente's request for a Comprehensive Update to the certified LUP.

The CCC Meeting will begin at 9:00am. However, the City's item is toward the end of the agenda for the day and it is not known at this time when the San Clemente LUP item will be discussed.

The Commission vote on the proposed San Clemente Comprehensive LUP Update will occur following a public hearing at a subsequent meeting tentatively scheduled for the Central Coast in February 2018. Additional details will be posted as information becomes available.
