BOARD RESOLUTION REGARDING THE 241 TOLL ROAD EXTENSION

WHEREAS, Flora Vista Subassociation ("Flora Vista") is comprised of 388 single-family homes and is located in the City of San Clemente at the corner of Camino del los Mares and Camino del Rio;

WHEREAS, Flora Vista is opposed to any alignment which would extend the 241 Toll Road through the City of San Clemente. Specifically, we oppose potential alignment Options 13, 14 and 17 as depicted on recent maps provided by the Transportation Corridor Agencies;

WHEREAS, Flora Vista believes that the construction and operation of the toll road extension using Options 13, 14 or 17 would have irreparable harm on the health, safety and welfare of each resident of Flora Vista because of pollutants, including environmental, light and noise;

NOW THEREFORE, GOOD CAUSE EXISTING, IT IS HEREBY RESOLVED:

The Board of Directors for Flora Vista Subassociation, on behalf of its members, formally opposes any alignment which would extend the 241 Toll Road through the City of San Clemente.
