AGENDA

A. Pier Bowl Specific Plan Update (Wright)

Christopher Wright, Associate Planner II, to provide the Planning Commission a status report of the Pier Bowl Specific Plan Update. Mr. Wright narrated a PowerPoint Presentation entitled, "Pier Bowl Specific Plan Update," dated December 19, 2018. A copy of the Presentation is on file in Planning Division.

Associate Planner Wright stated that a public review draft is being prepared for public review and public hearings planned in March 2019. Mr. Wright explained the Pier Bowl Specific Plan update is phase 3 of a work program that has been underway since 2014 General Plan adoption to update implementation plans for consistency with changes to land use designations, uses, development criteria, and policies. Mr. Wright summarized the objectives, policy issues, and the timeline for the specific plan update. The specific plan update will improve the specific plan's

organization, format, and maps; update plan to reflect Pier Bowl changes that have occurred since the specific plan was first adopted; and make the plan consistent with policy and land use changes in updates of the General Plan and Local Coastal Program (LCP).

Report received and filed.
