PICKLEBALL PILOT PROGRAM UPDATE

Pickleball priority days shift to accommodate usage and noise concerns

1/28/2019...San Clemente, California... San Luis Rey Park pickleball priority days move to Tuesday and Thursday; and San Geronio Park pickleball priority days move to Monday, Wednesday, and Saturday.

In September 2018, the City of San Clemente began a yearlong pickleball pilot program that added pickleball lines to one tennis court at San Luis Rey Park and one tennis court at San Geronio Park. Based on feedback from neighboring residents and pickleball players regarding noise levels and usage patterns, a change in priority pickleball days will be implemented for the remainder of the pilot program, effective February 1, 2019. Pickleball players have priority use at San Geronio Park on Monday, Wednesday, and Saturday; and at San Luis Rey Park on Tuesday and Thursday. This change adds an additional priority day to the pilot program at San Geronio Park and also relieves concerns about weekend play at San Luis Rey Park.
