Subject: **FY 2019-20 POLICE SERVICES CONTRACT**

Fiscal Impact: Yes. Although the FY 2019-20 General Fund budget includes \$15.9 million for this contract, a supplemental appropriation of \$481,000 is being requested for enhancements.

Summary: The City Council is asked to approve the annual renewal of the police services contract between the City of San Clemente and the County of Orange Sherriff's Department (OCSD), for the period July 1, 2019 through June 30, 2020.

Discussion: The cost of the FY 2019-20 Police Services contract with the County of Orange totals \$16,345,966, an increase of \$862,737, or 5.57%, over the FY 2018-19 contract amount. The contract between the City of San Clemente and the County of Orange for law enforcement services is based upon the service delivery requested and approved by the City. In the FY 2019-20 contract, there are 53 full-time equivalent (FTE) positions serving San Clemente. These funded positions represent an increase over the FY 2018-19 levels, which include the addition of a full-time Crime Prevention Specialist and two Patrol Deputies.

The table below shows the contract changes by major category:

<u>Cost Component</u>	<u>FY 2018-19</u>	<u>FY 2019-20</u>	<u>\$ Change</u>	<u>% Change</u>

Patrol Video System	38,359	52,816	14,457	37.7%
Integrated Law & Justice Agency	5,149	5,336	187	3.6%
Revenue Offset	-18,420	-25,593	-7,173	38.9%
TOTAL POLICE CONTRACT	\$15,483,229	\$16,345,966	\$862,737	5.57%

Contract cost changes for FY 2019-20, as compared to the FY 2018-19 contract amount, are noted below:

In total, **Personnel** costs increase by \$727,595, or 5.9%, mainly from the addition of two patrol deputies and one full-time crime prevention specialist. Also included is a 6% increase in health insurance costs paid by the County for employees. In addition, retirement rate increases of 0.83% for AOCDS, 0.43% for Law Management, and 1.64% for General Employees, are also included. No increases to the salaries and benefits for the Association of Orange County Deputy Sheriff's labor group (AOCDS) are projected at this time as all bargaining unit (OCEA, OCMA, and ACLEM) Memorandum of Understandings (MOUs) expire June 30, 2019. Negotiations are ongoing and will be incorporated in future adjustments once approved.

Estimates for overtime hours are 8,799 hours, representing a decrease of 1,059 hours and a costs decrease of \$105,000 in order to offset the cost on adding one of the two deputies for FY2019-20. Overtime costs are somewhat offset by an estimated vacancy credit of \$200,000 included in the contract. Overtime and vacancy credits will be reconciled at year-end based on actuals for the year.

Services & Supplies (S&S), which includes overhead related supplies and services, Liability Insurance, and direct services and supplies, increases by \$1,918 or 0.7%, and stayed relatively flat due to an offset with an 8.55% reduction in liability insurance rates.

Transportation costs include vehicle costs, enhanced helicopter costs, and regional team transportation costs, and increases overall by \$52,582, or 10.1%. City costs for enhanced helicopter services are at \$45,334, slightly higher than the prior year. The other main cost driver for transportation was the addition of a Class A patrol vehicle. Another patrol vehicle was required due to the addition of two patrol deputies.

Overhead costs in total increase by \$40,477 or 2.6%. Sheriff's Division and Department Overhead, which are allocated per position, increase by a total of \$20,529. For the Sheriff's Division this was mainly due to the added patrol deputies and the full-time crime prevention specialist. The increase in Department Overhead can be attributed to increased salaries and benefits, and increases in regional percentage allocations. County overhead increases by a total of \$4,499 or 3.43%, based on the FY 2017-18 county-wide Cost Allocation Plan.

Training costs increase by \$12,693 or 2.6%. Patrol trainee backfill hours decreased by 17% resulting in a decrease in training cost allocations, but decreases were offset by increases due to the addition of new positions.

The **Extra Help** line item budget of \$25,000 for FY 2018-19, was eliminated for FY2019-20 in order to create a full-time Crime Prevention Specialist position.

Leave Paydowns increase by \$24,631 or 17.4%, based on actual expenditures in FY 2017-18. The increase is due to an increase in employee pay downs, which are a result of AOCDS MOU changes for annual leave conversion to vacation/sick time.

Contract Administration decreased by \$1,484 or 3% due to staffing changes resulting in lower wages.

The cost for **Mobile Data Computers** increases by \$21,854 or 25.4%, the result of the adding one Mobile Data Computers for the new Class A patrol vehicle, including one-time acquisition costs of \$9,361 and recurring/ replacement costs of \$7,977 annually for the addition.

The cost for the **Patrol video system** increases by \$14,457 or 37.7%, as a result of adding the new Class A patrol vehicle. Increases in recurring costs were a result of increased support staff costs and recurring/replacement costs related to the PVS program.

Revenue Offset to the City, which reduces the amount of the overall contract, increases from \$18,420 to \$25,593. The increase is due to the City receiving revenue from the implementation of the False Alarm Program and POST/Training reimbursements.

2 The term of this Agreement shall commence July 1, 2019 and terminate
3 June 30, 2020, unless earlier terminated by either party or extended in the
4 manner set forth herein.

5 **B. OPTIONAL TERMINATION OR EXTENSION:**

- 6 1. COUNTY or CITY may terminate this Agreement, without cause, upon
7 one-hundred and eighty (180) days written notice to the other party.
- 8 2. If COUNTY and CITY have not entered into a written agreement by
9 June 30, 2020 for COUNTY to provide to CITY, during all or part of the
10 period between July 1, 2020 and June 30, 2021, law enforcement services
11 similar to those specified herein, then SHERIFF, on behalf of COUNTY, and
12 CITY's Manager, on behalf of CITY, are authorized to execute a written
13 amendment to this Agreement that provides as follows and does not
14 materially alter other terms of the Agreement: SHERIFF shall continue to
15 provide to CITY all or a designated part of the law enforcement services
16 specified herein, for a specified time period between July 1, 2020 and
17 August 31, 2020, and CITY shall pay COUNTY the full costs of providing
18 such services. Such full costs may be greater than those listed herein for
19 the period July 1, 2019 through June 30, 2020. SHERIFF and CITY
20 Manager shall file copies of any such amendments to this Agreement with
21 the Clerk of COUNTY's Board of Supervisors and CITY's Clerk.

22 **C. REGULAR SERVICES BY COUNTY:**

- 23 1. COUNTY, through its Sheriff-Coroner and deputies, officers and
24 employees, herein referred to as "SHERIFF", shall render to CITY law
25 enforcement services as hereinafter provided. Such services shall include
26 the enforcement of lawful State statutes and lawful municipal ordinances of
27 CITY.

28 //

1 **C. REGULAR SERVICES BY COUNTY:** (Continued)

- 2 2. The night, day and evening patrol and supervisory shifts will be established
3 by SHERIFF through the Chief of Police Services (Lieutenant) assigned to
4 CITY, who will report directly to CITY Manager. Personnel of each shift
5 may work varying and different times and may be deployed to other shifts
6 when, in the opinion of SHERIFF and CITY Manager, the need arises. Any
7 long-term shift deployment change will be reported to CITY's Council.
- 8 3. The level of service to be provided by COUNTY, for the period July 1, 2019
9 through June 30, 2020, is set forth in Attachment A and incorporated herein
10 by this reference.
- 11 4. For any service listed in Attachment A of this Agreement that is provided to
12 CITY at less than 100% of a full-time SHERIFF position, COUNTY retains
13 the option to terminate such service in the event the other city or cities that
14 contract for the balance of the time of the employee providing the service
15 no longer pay(s) for such service and CITY does not request the Agreement
16 be amended to provide for payment of 100% of the cost of the employee
17 providing such service. The Maximum Obligation of CITY set forth in
18 Subsection F-2 will be adjusted accordingly.
- 19 5. All services contracted for in this Agreement may not be operational on the
20 precise date specified in this Agreement. In those instances, SHERIFF shall
21 notify CITY Manager of the date or dates such service or services are to be
22 implemented. COUNTY shall reduce the monthly charges to CITY, based
23 on the actual date of implementation of the service or services. Charges
24 shall be reduced on the next monthly billing tendered in accordance with
25 Subsection F-3 of this Agreement.
- 26 6. During emergencies, such as mutual aid situations, SHERIFF will attempt to
27 leave in CITY the Lieutenant in charge of CITY Police Services. If
28 SHERIFF determines that the Lieutenant is needed elsewhere, SHERIFF

1 **C. REGULAR SERVICES BY COUNTY:** (Continued)

2 will notify CITY's Manager within four (4) hours. SHERIFF will return the
3 Lieutenant to CITY as soon as possible once the emergency situation is
4 under control.

5 7. With the limitations set forth below, SHERIFF, on behalf of COUNTY, and
6 CITY Manager, on behalf of CITY, are authorized to execute written
7 amendments to this Agreement to increase or decrease the level of service
8 set forth in Attachment A, when SHERIFF and CITY Manager mutually
9 agree that such increase or decrease in the level of service is appropriate.
10 Any such amendment to the Agreement shall concomitantly increase or
11 decrease the cost of services payable by CITY set forth in Attachment B
12 and incorporated herein by this reference and the Maximum Obligation of
13 CITY set forth in Subsection F-2, in accordance with the current year's
14 COUNTY law enforcement cost study. SHERIFF and CITY Manager shall
15 file copies of any such amendments to this Agreement with the Clerk of
16 COUNTY's Board of Supervisors and CITY's Clerk. Amendments to this
17 Agreement executed by SHERIFF and CITY Manager may not, in the
18 aggregate, increase or decrease the cost of services payable by CITY by
19 more than one percent (1%) of the total cost originally set forth in
20 Attachment B and the Maximum Obligation originally set forth in Subsection
21 F-2.

22 Prior approval by COUNTY's Board of Supervisors and CITY's Council is
23 required before execution of any amendment that brings the aggregate total
24 of changes in costs payable by CITY to more than one percent (1%) of the
25 total cost originally set forth in Attachment B and the Maximum Obligation
26 originally set forth in Subsection F-2 of this Agreement.

27 //

28 //

1 **D. ENHANCED AND SUPPLEMENTAL SERVICES BY COUNTY:**

2 1. Enhanced services for events on CITY property. At the request of CITY,
3 through its City Manager, SHERIFF may provide enhanced law
4 enforcement services for functions, such as community events, conducted
5 on property that is owned, leased or operated by CITY. SHERIFF shall
6 determine personnel and equipment needed for such enhanced services.
7 To the extent the services provided at such events are at a level greater
8 than that specified in Attachment A of this Agreement, CITY shall
9 reimburse COUNTY for such additional services, at an amount computed
10 by SHERIFF, based on the current year's COUNTY law enforcement cost
11 study. The cost of these enhanced services shall be in addition to the
12 Maximum Obligation of CITY set forth in Subsection F-2 of this Agreement.
13 SHERIFF shall bill CITY immediately after each such event.

14 2. Supplemental services for occasional events operated by private individuals
15 and entities on non-CITY property. At the request of CITY, through its City
16 Manager, and within the limitations set forth in this Subsection D-2,
17 SHERIFF may provide supplemental law enforcement services to preserve
18 the peace at special events or occurrences that occur on an occasional
19 basis and are operated by private individuals or private entities on non-CITY
20 property. SHERIFF shall determine personnel and equipment needed for
21 such supplemental services, and will provide such supplemental services
22 only if SHERIFF is able to do so without reducing the normal and regular
23 ongoing services that SHERIFF otherwise would provide to CITY pursuant
24 to this Agreement. Such supplemental services shall be provided only by
25 regularly appointed full-time peace officers, at rates of pay governed by a
26 Memorandum of Understanding between COUNTY and the bargaining
27 unit(s) representing the peace officers providing the services. Such
28 supplemental services shall include only law enforcement duties and shall

1 **D. ENHANCED AND SUPPLEMENTAL SERVICES BY COUNTY:** (Continued)

2 not include services authorized to be provided by a private patrol operator,
3 as defined in Section 7582.1 of the Business and Professions Code. Law
4 enforcement support functions, including, but not limited to, clerical
5 functions and forensic science services, may be performed by non-peace
6 officer personnel if the services do not involve patrol or keeping the peace
7 and are incidental to the provision of law enforcement services. CITY shall
8 reimburse COUNTY its full, actual costs of providing such supplemental
9 services at an amount computed by SHERIFF, based on the current year's
10 COUNTY law enforcement cost study. The cost of these supplemental
11 services shall be in addition to the Maximum Obligation of CITY set forth in
12 Subsection F-2 of this Agreement. SHERIFF shall bill CITY immediately
13 after each such event.

- 14 3. Supplemental services for events operated by public entities on non-CITY
15 property. At the request of CITY, through its City Manager, and within the
16 limitations set forth in this Subsection D-3, SHERIFF may provide
17 supplemental law enforcement services to preserve the peace at special
18 events or occurrences that occur on an occasional basis and are operated
19 by public entities on non-CITY property. SHERIFF shall determine
20 personnel and equipment needed for such supplemental services, and will
21 provide such supplemental services only if SHERIFF is able to do so
22 without reducing services that SHERIFF otherwise would provide to CITY
23 pursuant to this Agreement. CITY shall reimburse COUNTY its full, actual
24 costs of providing such supplemental services at an amount computed by
25 SHERIFF, based on the current year's COUNTY law enforcement cost
26 study. The cost of these supplemental services shall be in addition to the
27 Maximum Obligation of CITY set forth in Subsection F-2 of this Agreement.
28 SHERIFF shall bill CITY immediately after each such event.

1 **D. ENHANCED AND SUPPLEMENTAL SERVICES BY COUNTY:** (Continued)

2 4. Notwithstanding the foregoing, CITY, through its permit process, may utilize
3 the services of SHERIFF at events, for which CITY issues permits, that are
4 operated by private individuals or entities or public entities. SHERIFF shall
5 determine personnel and equipment needed for said events. If said events
6 are in addition to the level of services listed in Attachment A of this
7 Agreement, CITY shall reimburse COUNTY for such additional services at
8 an amount computed by SHERIFF, based upon the current year's COUNTY
9 law enforcement cost study. The cost of these services shall be in addition
10 to the Maximum Obligation of CITY set forth in Subsection F-2 of this
11 Agreement. SHERIFF shall bill City immediately after said services are
12 rendered.

13 5. In accordance with Government Code Section 51350, COUNTY has
14 adopted Board Resolution 89-1160 which identifies Countywide services,
15 including but not limited to helicopter response. SHERIFF through this
16 contract provides enhanced helicopter response services. The cost of
17 enhanced helicopter response services is included in the cost of services
18 set forth in Attachment B and in the Maximum Obligation of CITY set forth
19 in Subsection F-2. COUNTY shall not charge any additional amounts for
20 enhanced helicopter services after the cost of services set forth in
21 Attachment B and in the Maximum Obligation set forth in Subsection F-2
22 has been established without written notification to the CITY.

23 **E. PATROL VIDEO SYSTEMS:**

24 1. As part of the law enforcement services to be provided to CITY, COUNTY
25 has provided, or will provide, patrol video systems (hereinafter called "PVS")
26 that are or will be mounted in patrol vehicles designated by COUNTY for
27 use within CITY service area.

2. SHERIFF has the exclusive right to use said PVS for law enforcement services related to this Agreement.

3. CITY shall pay COUNTY the full costs to COUNTY of a) the acquisition and installation of Patrol Video Systems that are or will be mounted in patrol vehicles assigned to CITY, and b) recurring costs, as deemed necessary by COUNTY, including the costs of maintenance and contributions to a fund for replacement and upgrade of such PVS when they become functionally or technologically obsolete.

The costs to be paid by CITY for recurring costs, including maintenance and replacement/upgrade of PVS, are included in the costs set forth in Attachment B and the Maximum Obligation of CITY set forth in Subsection F-2 of this Agreement unless CITY has already paid such costs. CITY shall not be charged additional amounts for maintenance or replacement/upgrade of said PVS during the period July 1, 2019 through June 30, 2020.

4. If, following the initial acquisition of PVS referenced above, CITY requires PVS for additional patrol cars designated for use in the CITY service area, COUNTY will purchase said additional PVS. Upon demand by COUNTY, CITY will pay to COUNTY a) the full costs of acquisition and installation of said additional PVS, and b) the full recurring costs for said PVS, as deemed necessary by COUNTY, including the costs of maintenance, and contributions to a fund for replacement and upgrade of such PVS when they become functionally or technologically obsolete. Said costs related to additional PVS are not included in, and are in addition to, the costs set forth in Attachment B and the Maximum Obligation of CITY set forth in Subsection F-2 of this Agreement.

2 5. COUNTY will replace and/or upgrade PVS as needed. The costs of
3 replacing/upgrading PVS shall be paid by COUNTY from the
4 replacement/upgrade funds to be paid by CITY in accordance with the
5 foregoing. CITY shall not be charged any additional charge to replace or
6 upgrade PVS.

7 **F. PAYMENT:**

8 1. Pursuant to Government Code Section 51350, CITY agrees to pay to
9 COUNTY the full costs of performing the services mutually agreed upon in
10 this Agreement. The costs of services include salaries, wages, benefits,
11 mileage, services, supplies, equipment, and divisional, departmental and
12 COUNTY General overhead.

13 2. Unless the level of service set forth in Attachment A is increased or
14 decreased by mutual agreement of the parties, or CITY is required to pay
15 for increases as set forth in Subsection F-4, or the costs increase or
16 decrease as a result of amendment of the Operations Agreement
17 (Attachment C hereto and incorporated herein by this reference) in
18 accordance with Subsection M-2, the Maximum Obligation of CITY for
19 services set forth in Attachment A, of this Agreement to be provided by the
20 COUNTY for the period July 1, 2019 through June 30, 2020 shall be
21 \$16,345,966 as set forth in Attachment B.

22 The overtime costs included in the Agreement are only an estimate.
23 SHERIFF shall notify CITY of actual overtime worked during each fiscal
24 year. If actual overtime worked is above or below budgeted amounts,
25 billings will be adjusted accordingly at the end of the fiscal year. Actual
26 overtime costs may exceed CITY's Maximum Obligation.

27 //

28 //

1 **F. PAYMENT:** (Continued)

2 3. For services provided between July 1, 2019 and June 30, 2020, COUNTY
3 shall invoice CITY, monthly, one-twelfth (1/12) of the Maximum Obligation
4 of CITY. If a determination is made that increases described in Subsection
5 F-4 must be paid, COUNTY thereafter shall include the pro-rata charges for
6 such increases in its monthly invoices to CITY for the balance of the period
7 July 1, 2019 and June 30, 2020. If this Agreement is extended pursuant to
8 Subsection B-2, COUNTY shall invoice CITY thereafter for the full costs of
9 the law enforcement services provided in the preceding month.

10 4a. At the time this Agreement is executed, there are unresolved issues
11 pertaining to potential changes in salaries and benefits for COUNTY
12 employees. The costs of such potential increases are not included in the
13 Fiscal Year 2019-20 cost set forth in Attachment B nor in the Fiscal Year
14 2019-20 Maximum Obligation of CITY set forth in Subsection F-2 of this
15 Agreement. If the changes result in the COUNTY incurring or becoming
16 obligated to pay for increased costs for or on account of personnel whose
17 costs are included in the calculations of costs charged to CITY hereunder,
18 CITY shall pay COUNTY, in addition to the Maximum Obligation set forth in
19 Subsection F-2 of this Agreement, the full costs of said increases to the
20 extent such increases are attributable to work performed by such personnel
21 after July 1, 2019, and CITY's Maximum Obligation hereunder shall be
22 deemed to have increased accordingly. CITY shall pay COUNTY in full for
23 such increases on a pro-rata basis over the portion of the period between
24 July 1, 2019 and June 30, 2020 remaining after COUNTY notifies CITY that
25 increases are payable. If the changes result in the COUNTY incurring or
26 becoming obligated to pay for decreased costs for or on account of
27 personnel whose costs are included in the calculations of costs charged to
28 CITY hereunder, COUNTY shall reduce the amount owed by the CITY to

1 **F. PAYMENT:** (Continued)

2 the extent such decreases are attributable to work performed by such
3 personnel during the period July 1, 2019 through June 30, 2020, and
4 CITY's Maximum Obligation hereunder shall be deemed to have decreased
5 accordingly. COUNTY shall reduce required payment by CITY in full for
6 such decreases on a pro-rata basis over the portion of the period between
7 July 1, 2019 and June 30, 2020 remaining after COUNTY notifies CITY that
8 the Maximum Obligation has decreased.

9 4b. If CITY is required to pay for increases as set forth in Subsection F-4a
10 above, COUNTY, at the request of CITY will thereafter reduce the level of
11 service to be provided to CITY as set forth in Attachment A of this
12 Agreement to a level that will make the Maximum Obligation of CITY
13 hereunder for the period July 1, 2019 through June 30, 2020 an amount
14 specified by CITY that is equivalent to or higher or lower than the Maximum
15 Obligation set forth in Subsection F-2 for said period at the time this
16 Agreement originally was executed. The purpose of such adjustment of
17 service levels will be to give CITY the option of keeping its Maximum
18 Obligation hereunder at the pre-increase level or at any other higher or
19 lower level specified by CITY. In the event of such reduction in level of
20 service and adjustment of costs, the parties shall execute an amendment to
21 this Agreement so providing. Decisions about how to reduce the level of
22 service provided to CITY shall be made by SHERIFF with the approval of
23 CITY.

24 5. CITY shall pay COUNTY in accordance with COUNTY Board of
25 Supervisors' approved County Billing Policy, which is attached hereto as
26 Attachment D and incorporated herein by this reference.

27 6. COUNTY shall charge CITY late payment penalties in accordance with
28 County Billing Policy.

COUNTY and its SHERIFF shall retain all authority for rendition of services, standards of performance, control of personnel, and other matters incident to the performance of services by COUNTY pursuant to this Agreement. COUNTY, its agents and employees shall not be entitled to any rights or privileges of CITY employees and shall not be considered in any manner to be CITY employees.

J. STATE AUDIT:

Pursuant to Government Code Section 8546.7, CITY and COUNTY shall be subject to examination and audit by the State Auditor for a period of three (3) years after final payment by CITY to COUNTY under this Agreement. CITY and COUNTY shall retain all records relating to the performance of this Agreement for said three-year period, except that those records pertaining to any audit then in progress, or to any claim or litigation, shall be retained beyond said three-year period, until final resolution of said audit, claim or litigation.

K. ALTERATION OF TERMS:

This Agreement fully expresses all understanding of CITY and COUNTY with respect to the subject matter of this Agreement and shall constitute the total Agreement between the parties for these purposes. 5 ordinances. CITY shall indemnify and hold harmless COUNTY and its
6 elected and appointed officials, officers, agents, employees, subcontractors
7 and independent contractors from any claim, demand or liability whatsoever
8 based or asserted upon the condition of any public street or work or
9 property of CITY, or upon the illegality or unconstitutionality of any
10 municipal ordinance of CITY that SHERIFF has enforced, or upon any act
11 or omission of CITY, or its elected and appointed officials, officers, agents,
12 employees, subcontractors or independent contractors related to this
13 Agreement, including, but not limited to, any act or omission related to the
14 maintenance or condition of any vehicle or motorcycle that is owned or
15 possessed by CITY and used by COUNTY personnel in the performance of
16 this Agreement, for property damage, bodily injury or death or any other
17 element of damage of any kind or nature, and CITY shall defend, at its
18 expense including attorney fees, and with counsel approved in writing by
19 COUNTY, COUNTY and its elected and appointed officials, officers, agents,

24 CITY and COUNTY by a court of competent jurisdiction because of the

1 **L. INDEMNIFICATION: (Continued)**

2 2. COUNTY shall indemnify and hold harmless CITY and its elected and
3 appointed officials, officers, agents, employees, subcontractors and
4 independent contractors from any claim, demand or liability whatsoever
5 based or asserted upon any act or omission of COUNTY or its elected and
6 appointed officials, officers, agents, employees, subcontractors or
7 independent contractors related to this Agreement, for property damage,
8 bodily injury or death or any other element of damage of any kind or nature,
9 and COUNTY shall defend, at its expense, including attorney fees, and with
10 counsel approved in writing by CITY, CITY and its elected and appointed
11 officials, officers, agents, employees, subcontractors and independent
12 contractors in any legal action or claim of any kind based or asserted upon

14 **M. OPERATIONS AGREEMENT:**

15 1. CITY's Manager and COUNTY's SHERIFF are authorized to execute, on
16 behalf of CITY and COUNTY, respectively, the Operations Agreement
17 attached hereto as Attachment C.

18 2. Within the limitations set forth below, SHERIFF, on behalf of COUNTY, and
19 CITY Manager, on behalf of CITY, are authorized to execute written
20 amendments to the Operations Agreement. Amendments may be executed
21 by SHERIFF and CITY Manager without prior approval by CITY's Council
22 and COUNTY's Board of Supervisors only if they pertain to the same subject
23 matter as the original Operations Agreement attached hereto and do not, in
24 the aggregate, increase or decrease the total costs of CITY or the total
25 expenses of COUNTY under this Agreement by more than one percent
26 (1%). Prior approval of CITY's Council and COUNTY's Board of Supervisors
27 is necessary for any other amendment of the Operations Agreement.
28 SHERIFF and CITY Manager shall file copies of any amendments to the

1 **M. OPERATIONS AGREEMENT: (Continued)**

2 Operations Agreement with the Clerk of COUNTY's Board of Supervisors
3 and CITY's Clerk.

4 **N. TRAFFIC VIOLATOR APPREHENSION PROGRAM:**

5 1. COUNTY has established a Traffic Violator Apprehension Program ["the
6 Program"], which is operated by SHERIFF, and is designed to reduce
7 vehicle accidents caused by unlicensed drivers and drivers whose licenses
8 are suspended and to educate the public about the requirements of the
9 Vehicle Code and related safety issues with regard to driver licensing,
10 vehicle registration, vehicle operation, and vehicle parking. The Program
11 operates throughout the unincorporated areas of the COUNTY and in the
12 cities that contract with COUNTY for SHERIFF's law enforcement services,
13 without regard to jurisdictional boundaries, because an area-wide approach
14 to reduction of traffic accidents and driver education is most effective in
15 preventing traffic accidents. In order for CITY to participate in the Program,
16 CITY has adopted a fee pursuant to Vehicle Code Section 22850.5, in the
17 amount and under the terms and conditions set forth in the resolution that is
18 attached hereto as Attachment F and incorporated into this Agreement by
19 reference [hereinafter called a "TVAP resolution"], and has directed that the
20 revenue from such fee be used for the Program. CITY's participation in the
21 Program may be terminated at any time by rescission or amendment of its
22 TVAP resolution that is attached hereto as Attachment F. In the event CITY
23 1) amends said TVAP resolution, or rescinds said TVAP resolution and
24 adopts a new TVAP resolution pertaining to the above-referenced fee and
25 the Program, and 2) remains a participant in the Program thereafter, CITY's
26 Manager, on behalf of CITY, and SHERIFF, on behalf of COUNTY, have
27 authority to execute an amendment of this Agreement to substitute CITY's
28 amended or new TVAP resolution for Attachment F hereto, as long as said

1 **N. TRAFFIC VIOLATOR APPREHENSION PROGRAM: (Continued)**

2 amendment to this Agreement does not materially change any other
3 provision of this Agreement.

4 2. COUNTY will make available for review, at the request of CITY, all financial
5 data related to the Program as may be requested by CITY.

6 3. Fee revenue generated by COUNTY and participating cities will be used to
7 fund the following positions, which will be assigned to the Program:

- 8 • Ten one hundredths of one (0.10) Sergeant

9 (8 hours per two-week pay period)

- 10 • One (1) Staff Specialist

11 (80 hours per two-week pay period)

- 12 • One (1) Office Specialist

13 (80 hours per two-week pay period)

14 4. Fee revenue generated by CITY may be used to reimburse CITY for
15 expenditures for equipment and/or supplies directly in support of the
16 Program. In order for an expenditure for equipment and/or supplies to be
17 eligible for reimbursement, CITY shall submit a request for and obtain pre-
18 approval of the expenditure by using the form as shown in Attachment G.
19 The request shall be submitted within the budget schedule established by
20 SHERIFF. SHERIFF shall approve the expenditure only if both of the
21 following conditions are satisfied: 1) there are sufficient Program funds,
22 attributable to revenue generated by CITY's fee, to pay for the requested
23 purchase, and 2) CITY will use the equipment and/or supplies, during their
24 entire useful life, only for purposes authorized by its TVAP resolution in
25 effect at the time of purchase.

26 In the event that CITY terminates its participation in the Program, CITY
27 agrees that the equipment purchased by CITY and reimbursed by Program
28 funds will continue to be used, during the remainder of its useful life,

1 **N. TRAFFIC VIOLATOR APPREHENSION PROGRAM: (Continued)**

2 exclusively for the purposes authorized by CITY's TVAP resolution in effect
3 at the time of purchase.

- 4 5. In the event the fees adopted by COUNTY, CITY and other participating
5 jurisdictions are not adequate to continue operation of the Program at the
6 level at which it operated previously, COUNTY, at the option of CITY, will
7 reduce the level of Program service to be provided to CITY or will continue
8 to provide the existing level of Program services. COUNTY will charge CITY
9 the cost of any Program operations that exceed the revenue generated by
10 fees. Such charges shall be in addition to the Maximum Obligation of CITY
11 set forth in Subsection F-2 of this Agreement. The amount of any revenue
12 shortfall charged to CITY will be determined, at the time the revenue
13 shortfall is experienced, according to CITY's share of Program services
14 rendered. In the event of a reduction in level of Program service,
15 termination of Program service or adjustment of costs, the parties shall
16 execute an amendment to this Agreement so providing. Decisions about
17 how to reduce the level of Program service provided to CITY shall be made
18 by SHERIFF with the approval of CITY.

19 **O. MOBILE DATA COMPUTERS:**

- 20 1. As part of the law enforcement services to be provided to CITY, COUNTY
21 has provided, or will provide, mobile data computers (hereinafter called
22 "MDCs") that are or will be mounted in patrol vehicles and motorcycles,
23 designated by COUNTY for use within CITY limits.
- 24 2. SHERIFF has the exclusive right to use said MDCs for law enforcement
25 services related to this Agreement.
- 26 3. CITY shall pay COUNTY the full costs to COUNTY of a) the acquisition and
27 installation of MDCs that are or will be mounted in patrol vehicles and
28 motorcycles assigned to CITY, and b) recurring costs, as deemed

4. If, following the initial acquisition of MDCs referenced above, CITY requires MDCs for additional patrol cars or motorcycles designated for use in the CITY, or for CITY's Emergency Operations Center, COUNTY will purchase said additional MDCs. Upon demand by COUNTY, CITY will pay to COUNTY a) the full costs of acquisition and installation of said additional MDCs, and b) the full recurring costs for said MDCs, as deemed necessary by COUNTY, including the costs of maintenance, and contributions to a fund for replacement and upgrade of such MDCs when they become functionally or technologically obsolete. Said costs related to additional MDCs are not included in, and are in addition to, the costs set forth in Attachment B and the Maximum Obligation of CITY set forth in Subsection F-2 of this Agreement.

5. COUNTY will replace and/or upgrade MDCs as needed. The costs of replacing/upgrading MDCs shall be paid by COUNTY from the replacement/upgrade funds to be paid by CITY in accordance with the foregoing. CITY shall not be charged any additional charge to replace or upgrade MDCs.

3. COUNTY BILLING POLICY
APPROVED BY BOARD MINUTE ORDER DATED OCTOBER 27, 1992

I. POLICY

All County agencies/departments/districts (County) governed by the Board of Supervisors shall bill contracting entities for materials and/or services provided under contract in accordance with the following standardized billing and collection policy. Billing frequency is dependent on whether the contract is a fixed price or actual cost contract. Payment due date is designed to be both responsive to the County's cash flow needs and reasonable enough as to not require special processing by the contracting entity. If payments are not received by the required due dates, a late payment fee shall be computed and billed to the contracting entity in accordance with the requirements of this procedure.

Nothing herein shall affect the liability, including pre-judgment interest, of the contracting party for services or materials in as much as this is a policy to enact standard billing practices.

II. DEFINITIONS

- A. Contract for the purposes of this policy - A contract is a formal written agreement, a purchase order from the contracting entity, or any other acceptable mutual understanding between the contracting parties.
- B. Received by the County - The phrase "received by the County", as used in Section VI of this policy, refers to the date a payment is received by the County. It is defined as the date the payment is in the County's possession. It is not the date the payment is posted or deposited by the County.

III. FIXED PRICE CONTRACTS

- A. Fixed Price (One-Time/Non-Recurring Contracts) - Invoices that represent a billing for a one-time, non-recurring provision of materials and/or services shall be issued no later than five (5) working days after delivery by the County of the materials and/or services. Examples of such one-time, non-recurring provision of materials and/or services might be a city contracting with the Sheriff for security service at a parade or sporting event; or, a city purchasing a computer listing containing certain city-requested data. Payment due date shall be invoice date plus 30 days.
- B. Fixed Price (Ongoing/Recurring Contracts) - Invoices that represent a billing for an ongoing, recurring provision of materials and/or services shall be issued according to the following frequency:
1. Annual Billings that total \$10,000 or less per 12-month period shall be billed via one (1) annual invoice. Annual invoices will be issued for each 12-month period of the contract, or portions thereof. Invoices shall be issued no later than five working days after the beginning of each 12-month period. Payment due date shall be invoice date plus 30 days.

2. Quarterly Billings that are greater than \$10,000 but not more than \$200,000 per 12-month period, shall be billed in quarterly installments. Quarterly invoices will be issued representing the contract amount for each 12-month period of the contract, or portions thereof, prorated into four (4) installments. Invoices shall be issued no later than 30 days after the beginning of each quarter. Payment due date shall be 60 days after the beginning of each calendar quarter.
3. Monthly Billings that are greater than \$200,000 per 12-month period shall be billed in monthly installments. Monthly invoices will be issued representing the contract amount for each 12-month period of the contract, or portions thereof, prorated into 12 installments. Invoices shall be issued on or before the first day of each service month. Payment due date shall be 30 days after the beginning of each service month.

An example of a fixed price contract for ongoing, recurring provision of materials and/or services might be a city contracting with the Sheriff for law enforcement services.

IV. ACTUAL COST CONTRACTS

- A. Actual Cost (One-Time/Non-Recurring Contracts) - Invoices that represent a billing for a one-time, non-recurring provision of materials and/or services shall be issued after delivery by the County of the materials and/or services and no later than 15 days after actual cost data is available. Payment due date shall be invoice date plus 30 days.
- B. Actual Cost (Ongoing/Recurring Contracts) - Invoices that represent a billing for an ongoing, recurring provision of materials and/or services shall be issued on a monthly basis and shall represent the cost of materials and/or services provided to the contracting entity during the previous calendar month. Such invoices shall be issued no later than 15 days after the close of the monthly billing period. If the County agency/department/district does not utilize a monthly billing cycle, the invoice shall be issued no later than 15 days after actual cost data is available. Payment due date shall be invoice date plus 30 days.

Examples of actual cost contracts for the ongoing, recurring provision of materials and/or services might be a city contracting with the County for communications equipment repair or waste disposal at a County landfill.

V. PAYMENT DUE DATES

Notwithstanding the provisions of Sections II and III above, payment due date shall be at least invoice date plus 30 days. If the County is late in issuing an invoice, the contracting entity would always have at least invoice date plus 30 days to pay. If the County is early in issuing an invoice, the contracting entity would still have a payment due date of either 60 days after the beginning of the quarter (quarterly invoices) or 30 days after the beginning of the service month (monthly invoices).

(EXAMPLES: An invoice for October service, dated and issued October 8 (late) would have a payment due date of November 7. An invoice for August service, dated and issued July 20 (early) would have a payment due date of August 30.)

VI. LATE CHARGES

The late payment of any invoiced amount by a contracting entity will cause the County to incur costs not contemplated by the County/contracting entity agreement, the exact amount of such cost will be extremely difficult to ascertain. Such costs include, but are not limited to, costs such as administrative follow-up and processing of delinquent notices, increased accounting costs, etc.

Late charges will be assessed in the following situations:

- Over-the-counter payments will be assessed a late charge if any payment is not received by the County by the payment due date.
- Payments transmitted to the County via the U.S. Mail that have the payer's postage meter mark will be assessed a late charge if any payment is not received by the County by the payment due date plus one day.
- Payments transmitted to the County via the U.S. Mail that have a U.S. Post Office postmark dated after the payment due date will be assessed a late charge.

The late charge assessed in each of these situations shall be three-quarters of one percent (0.75%) of the payment due and unpaid plus \$100.00 for late payments made within 30 days of the payment due date. An additional charge of three-quarters of one percent (0.75%) of said payment shall be added for each additional 30-day period that the payment remains unpaid. Late charges shall be added to the payment and invoiced to the contracting entity in accordance with this policy.

VII. COLLECTIONS

Any invoice remaining unpaid 90 days after the invoice date shall be referred to the Auditor-Controller for subsequent collection action, such as deduction from contracting entity moneys on deposit with the County Treasurer in accordance with Government Code Section 907 and any other applicable provision of law. Non-payment of invoices and applicable late charges will constitute a breach of contract for which the County retains all legal remedies including termination of the contract.

VIII. DISCOUNT FOR EARLY PAYMENT

Any payment received by the County from a contracting entity 20 days or more before the payment due date shall be entitled to a discount of one-quarter of one percent (0.25%). If the contracting entity takes a discount, and the payment is received by the County less than 20 days before the payment due date, County staff shall immediately notify the contracting entity by telephone that the discount should not have been taken and that the balance is due by the original payment due date.

If the balance is not received by the County in accordance with the dates as specified in Section VII, applicable late charges shall be calculated on the balance due.

IX. DEFERRED REVENUE

At fiscal year end, any portion of revenue invoiced (not necessarily received) during the fiscal year being closed out that represents charges or prepayment for materials and/or services for the upcoming fiscal year shall be reclassified from a revenue account to a deferred revenue account (liability). In the new fiscal year the deferred revenue shall be reclassified to a revenue account. (EXAMPLE: On June 1, 19X1, a city is invoiced \$48,000 which represents charges for the 12-month period June 1, 19X1 to May 31, 19X2. The amount to be reclassified to deferred revenue would be \$44,000, representing 11/12ths of the total amount. In July 19X1, the \$44,000 would be reclassified to revenue.) Reclassification entries shall be made by Auditor-Controller Agency Accounting units, or for those agencies/departments/districts without such a unit, the agency/department/district shall notify the Auditor-Controller of the amounts to be reclassified.

X. COST RECOVERY

All County agencies/department/districts shall include all costs of providing contracted services in contract rates. Including all direct costs, allocated indirect costs such as departmental and County (CWCAP) overhead, and cost of capital financing.

XI. EXISTING CONTRACTS

Billing terms and provisions contained in existing contracting entity agreements (existing as of the date this policy is approved by the Board of Supervisors) shall remain in effect for the life of the contract. However, when these existing contracts are renegotiated, they shall contain the billing provisions as set forth in this policy.

XII. DEVIATIONS FROM POLICY

Deviations from this policy shall be approved by the Board of Supervisors. Proposed deviations by agencies/departments/districts shall be submitted to the CEO for concurrence in advance of filing an Agenda Item Transmittal (AIT) with the Clerk of the Board. The CEO, or his/her designee, shall advise the agency/department/district of approval or disapproval of the proposed deviations. If a County agency/department/district submits a contract to the Board of Supervisors for approval, and the billing provisions in the contract deviate from this policy, the agency/department/district shall specifically advise the Board of Supervisors in the AIT of the deviation, the reason for the deviation, and of the CEO's recommendation relative thereto.

POLICY FOR DISTRIBUTION OF FORFEITED AND SEIZED ASSETS

BACKGROUND

The Orange County Sheriff's Department provides contract law enforcement services to cities in Orange County. Because of the increased likelihood that contracted patrol or investigation personnel may become involved in significant narcotic seizures, which could affect law enforcement services provided by the Sheriff's Department to contract cities, the following policy is in effect.

1. NON-RNSP CONTRACTED PATROL AND INVESTIGATION OFFICERS

When assets (cash or property) are seized in CITY by contracted patrol or investigation personnel other than RNSP personnel, and subsequently forfeited to COUNTY, the forfeited assets shall be shared with CITY as set forth below, for the purpose of augmenting law enforcement services in CITY, subject to approval by the forfeiting agency (U.S. Attorney or State) of such sharing and use of forfeited assets. A portion of forfeited assets may be retained by COUNTY's Sheriff Department, hereinafter referred to as "SHERIFF", to pay for departmental expenses not recovered through law enforcement contracts.

In such cases, SHERIFF shall apply to the forfeiting agency for the return of a share of the assets to COUNTY. In his application, SHERIFF shall specify the percentage of shared assets returned to COUNTY that will be used to augment law enforcement services in CITY and the use of said assets by CITY.

In those cases in which assets are seized within CITY by non-RNSP personnel assigned to CITY pursuant to this Agreement, without the involvement of other law enforcement personnel, and in which the seizure is a result solely of activities self-initiated by non-RNSP SHERIFF personnel assigned to CITY or initiated by said personnel in response to calls for service within CITY, SHERIFF shall apply to have all of the assets used to augment CITY law enforcement services.

In those cases in which non-RNSP SHERIFF personnel assigned to CITY pursuant to this Agreement play an ancillary role in a seizure or in which other law enforcement personnel are involved in a seizure, SHERIFF shall determine the percentage of the total forfeited assets for which he will apply to augment CITY's law enforcement services. This determination will be based on the circumstances of the seizure, including the pro-rata involvement of all personnel, including those assigned to CITY.

Each seizure will be evaluated on an individual and independent basis, and said evaluations will be available for review to CITY's manager. Examples of those incidents which would be evaluated as set forth in this section include situations in which a contract patrol deputy provides uniformed backup at a SHERIFF's Narcotic Bureau search warrant location or in which contract investigators participate in the service of a search warrant that was initiated by non-contract law enforcement personnel.

NON-RNSP CONTRACTED PATROL AND INVESTIGATION OFFICERS (Continued)

Assets (cash or property) that are returned to COUNTY by the forfeiting agency with the understanding that they will be used to augment CITY law enforcement services shall be used by CITY and COUNTY only for such purposes. If the forfeiting agency attaches additional or more specific conditions to the use of said assets, CITY and COUNTY shall also abide by those conditions. SHERIFF and CITY's manager shall determine the specific use of said assets within the conditions imposed by the forfeiting agency.

Subject to conditions imposed by the forfeiting agency and to the requirement that forfeited assets be used to augment law enforcement services, COUNTY shall place forfeited cash, or cash from the sale of forfeited assets in an interest-bearing account for use in CITY in compliance with the forfeiting agency's regulations.

2. CONTRACTED REGIONAL NARCOTICS SUPPRESSION PROGRAM (RNSP) OFFICERS

Assets forfeited as a result of activities conducted by contracted RNSP officers will be used to augment CITY's law enforcement services. Because activities of this type result from the efforts of both contracted officers and other RNSP officers, the percentage of sharing will be determined pursuant to the RNSP Memorandum of Understanding in effect at the time of the seizure. Said Memorandum of Understanding provides that assets are distributed according to percentage amounts based on the number of sworn personnel participating in the RNSP at the time of the seizure. The number of personnel in RNSP, as well as the number of participating agencies in RNSP, may fluctuate during the course of a contract year, thereby affecting the percentage amounts distributed to participating agencies. The percentage amounts distributed to participating agencies may also be affected by action taken by the RNSP Executive Board.

CITY will use RNSP forfeited assets only to augment CITY's law enforcement services. If the forfeiting agency or applicable RNSP Memorandum of Understanding attaches any additional or more specific conditions on the use of said assets, CITY shall abide by those conditions. SHERIFF and CITY's manager shall determine the specific use of said assets within the conditions imposed by the forfeiting agency and the RNSP Memorandum of Understanding.

Subject to conditions imposed by the forfeiting agency and the RNSP Memorandum of Understanding and to the requirement that RNSP forfeited assets be used to augment law enforcement services, COUNTY shall place forfeited cash or cash from the sale of forfeited assets in an interest-bearing account for use in CITY in compliance with the forfeiting agency's regulations and the RNSP Memorandum of Understanding.
