

AGENDA REPORT

SAN CLEMENTE CITY COUNCIL MEETING
Meeting Date: August 20, 2019

Agenda Item 6R

Approvals:
City Manager [Signature]
Dept. Head [Signature]
Attorney SS
Finance [Signature]

Department: Utilities
Prepared By: Lawrence Brotman, Utilities Manager [Signature]

Subject: ***RATIFY AN EMERGENCY CONSTRUCTION CONTRACT FOR REPAIRS TO A RECYCLED WATERLINE ON AVENIDA VISTA HERMOSA, PROJECT NO. 24401.***

Fiscal Impact: Yes. The total cost for the repair is \$34,636.34 with funding from the annual Water System Rehabilitation, Project No. 24401, Account No. 052-466-43420-000-24401. This expenditure will reduce the project account fund balance to approximately \$154,000.

Summary: On July 9, 2019, the City's recycled water system developed a leak on Avenida Vista Hermosa, located on the overpass near the northbound freeway onramp to I-5. This repair required immediate attention to restore operation of the City's Recycled Water System and to provide service to meters in the area of the failure. To complete the repair, City staff contacted three contractors and received two informal bids from O'Connell Engineering and Construction in the amount of \$28,465 and GCI in the amount of \$29,560. GWINCO was unable to provide a bid on short notice due to their current workload.

O'Connell Engineering and Construction was hired by the City Manager as an emergency project to restore operation of the recycled water system and to prevent loss of landscaping in the event of an extended outage. Upon excavating the leak, the recycled waterline was found to be encased in concrete requiring a Change Order to excavate and remove the concrete for an additional cost of \$6,171.34. The total project repair cost including paving is \$34,636.34.

Recommended

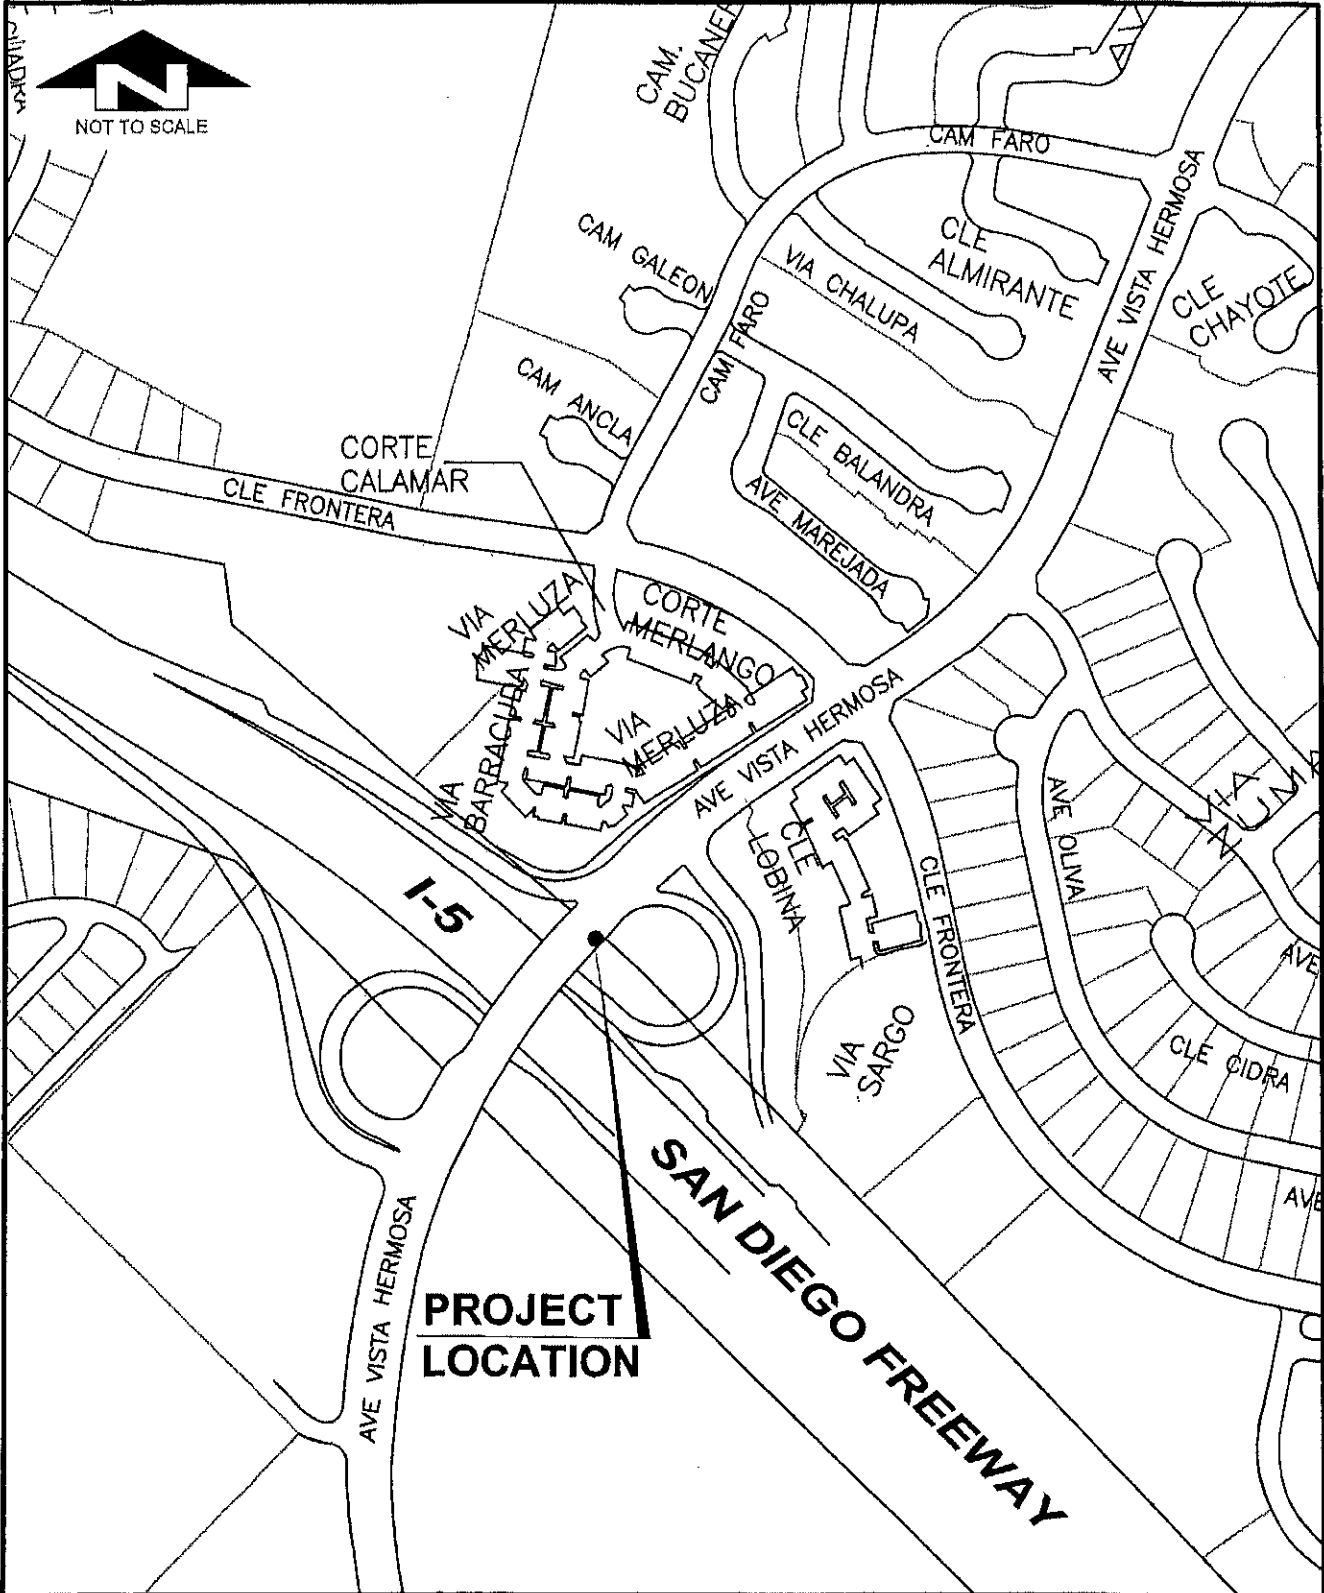

Action: STAFF RECOMMENDS THAT the City Council:

1. Make a finding that an emergency existed due to the need to restore recycled water service to protect property, health and safety in the event of an extended outage during the summer months;
2. Declare that the public interest and necessity demanded the immediate expenditure of public funds to safeguard public needs and interest;
3. Ratify the Emergency Construction Contract with O'Connell Engineering and Construction in the amount of \$34,636.34 for Repairs to a Recycled Waterline on Avenida Vista Hermosa, Project No. 24401;

4. Accept the Emergency Repairs to a Recycled Waterline on Avenida Vista Hermosa, Project No. 24401;
5. Authorize the Mayor to execute and the City Clerk to record the Notice of Completion for the Emergency Repairs to a Recycled Waterline on Avenida Vista Hermosa, Project No. 24401; and
6. Authorize the City Clerk to release the 5% retention 35 days from the recordation of the Notice of Completion upon verification with the Engineering Division that no liens have been levied against O'Connell Engineering and Construction and upon receipt of a Warranty Bond from O'Connell Engineering and Construction in the amount of 25% of the construction cost.
