8. PUBLIC HEARING

A. Zoning Amendment 19-290 – Thrift Store Ordinance (Perez)

A request to forward a recommendation to the City Council to amend San Clemente Municipal Code Title 17, the Zoning Ordinance, regarding the regulation of secondhand dealers. The Planning Commission will be considering changes to the Zoning Ordinance in Chapters 17.28, 17.36, 17.40, and 17.88 related to special uses, the permitted zones for the special uses, and related definitions.

Gabriel J. Perez, City Planner, narrated a PowerPoint Presentation entitled, "Zoning Amendment (ZA) 19-290 – Regulation of Secondhand Dealers, 'Thrift Store Ordinance'," dated September 4, 2019. A copy of the presentation is on file in Planning Division.

In response to questions, City Planner Perez described expansions or circumstances that would trigger a new Minor Conditional Use Permit (MCUP) and/or eliminate prior, grandfathered approvals; noted the security plan is proposed in order to decrease/eliminate the dumping of donated items outside when the stores are closed; described differences in definitions for "Antiques" and "Second Hand Goods"; clarified the prohibition of "backdrops" that do not allow a unobstructed view from the windows into the business; advised 365 days is the standard amount of time businesses are allowed to lapse before losing approvals.

Adam Atamian, Code Compliance Manager, described in general terms the process of determination used by Code Compliance staff when faced with signage/issues that are not straightforward; noted no location in the City is immune from experiencing illegal dumping, littering, etc.; advised a Security Plan can be signage that requests the public to refrain from dumping or littering. The signage will allow Code Compliance to establish that businesses are aware of the dumping prohibition, and allow City staff to work with the business to establish flexible and individual solutions that will work for each situation.

Chair Ruehlin opened the public hearing.

Mary Purdue, resident, clarified that if a Thrift Store changed locations, its permits would lapse and they would be under the new regulations; asked for help in creating solutions that will stop the public from dumping on their property.

Chair Ruehlin closed the public hearing.

Comments/Suggestions:

- Suggested there is no need for the City to be involved in a security plan for the inside of the building; recommended revision to clarify the subject Security Plan pertains only to the outside of the building.
- Suggested the “Security Plan” be referred to as a “Storage Plan” with language to ensure the movement and storage of goods is hidden from public view; suggested a storage box to allow goods to be dropped off, but will not allow the public to take items from; expressed preference to require a MCUP rather than a CUP; supported ability to look into the windows and the store beyond from outside the window.
- Supported thrift stores being allowed in Industrial Zoned areas.
- Established there is no specific license required by the State to operate a thrift store.
- Opposed requiring a Security Plan as it is not required by other retail businesses in the City.
- Supported the Ordinance as proposed.
- Suggested fencing off the rear of any property adjacent to an alley to prohibit dumping on private property and allow the City to enforce prohibition against dumping in public.

IT WAS MOVED BY CHAIR PRO TEM CRANDELL SECONDED BY COMMISSIONER WU, AND UNANIMOUSLY CARRIED TO ADOPT RESOLUTION NO. PC 19-033, A RESOLUTION OF THE PLANNING COMMISSION OF THE CITY OF SAN CLEMENTE, CALIFORNIA, RECOMMENDING THE CITY COUNCIL APPROVE AN ORDINANCE TO ENACT ZONING AMENDMENT 19-290, AMENDING MUNICIPAL CODE TITLE 17 (ZONING), CHAPTERS 17.28 (SPECIAL USES), 17.36 (COMMERCIAL ZONES AND STANDARDS), AND 17.88, (DEFINITIONS) TO REGULATE SECONDHAND DEALERS BY DEFINING USES, RESTRICTING USES TO SELECT ZONES, REQUIRING A MINOR CONDITIONAL USE PERMIT TO ESTABLISH USES, AND IMPOSING SPECIAL USE STANDARDS.
