WIRELESS TELECOMMUNICATION FACILITIES “SMALL CELL” WORKSHOP

November 13, 2019...San Clemente, California... The City of San Clemente will host a public workshop on wireless telecommunication facilities “small cells” on Wednesday, November 20, 2019 from 5 P.M.-7 P.M. at the Council Chambers at 100 Avenida Presidio, San Clemente. The workshop will include information regarding the Federal Communications Commission (FCC) rules on small cells, expert presentations on RF emissions, and a presentation on the City’s draft small cell ordinance. Staff, wireless experts, and representatives from wireless companies will be available after the workshop to answer questions for the public. Regular updates on small cell facilities can be found on the City website at <https://www.san-clemente.org/about-us/city-news/cellular-tower-updates>.
