CITY OF SAN CLEMENTE POSTPONING UPCOMING PUBLIC EVENTS

3/13/2020... San Clemente, California... In response to recent directives from the California Department of Public Health to protect public health and slow the rate of transmission of COVID-19, the City of San Clemente is postponing several upcoming events.

The state department's new directives call for canceling or postponing – for at least the remainder of March – all large gatherings that include 250 people such as concerts, conferences, and professional, college and school sporting events. The recommendations also include postponing or canceling smaller gatherings held in venues like crowded auditoriums, rooms or other venues that do not allow social distancing of six feet per person.

In the interest of the health and safety of the community, the City will postpone the following events: Sunday Downtown Farmers Market (3/15/2020 and 3/22/2020); Springtime Eggstravaganza (3/27/2020); Document Shredding Event (3/28/2020); the Sensational Springtacular (4/11/2020), and Splashtacular (4/11/2020). Based on the rapidly changing environment and direction surrounding COVID-19, the City will assess options for rescheduling these events to a later date.

For questions, please contact the Beaches, Parks and Recreation Department at
(949) 361-8264.
