

Orange County Fire Authority

"Tones at 2" Episode 2 - TODAY

Today, "Tones at 2" will be focusing on preventing cooking fires. Did you know cooking fires are the leading cause of fires and fire injuries in Orange County? Our fire crews respond to these types of emergencies all the time. Join us on Facebook Live at 2 p.m. today to learn how to safely cook and what to do if a cooking fire erupts.

Last week, Orange County Fire Authority launched "Tones at 2" (that's fire lingo for "fire tones at 2 p.m.") with a fire station tour. As a reminder, this Live Facebook feed is geared towards elementary aged students, showing them different aspects of the fire department over the next two weeks including our fire stations, our fire investigation dog "Freedom," fire helicopter and much more.

If you missed our first live episode of the fire station tour, here is a link to the video:

So remember, at 2 p.m. every Monday through Friday join us on Facebook at facebook.com/OrangeCountyFire to learn, and ask lots of questions.

Wednesday, April 1 @ 2pm	Learn to Plan for a Disaster
