

## Water Play Activity: Bubble Tower

This activity is a fun way to practice blowing bubbles!

### MATERIALS:

- Small Cup
- Straw
- Large Cookie Sheet
- Dish Soap
- Food Coloring-Optional

### Instructions:

1. Fill the small cup about half way full with water.
2. Add 2 or 3 drops of liquid dish soap and one drop of food coloring to the water.
3. Swirl it around with the straw until it has mixed.
4. Place the cup in the middle of a cookie sheet to contain the mess and let your kids blow!
5. \*Just make sure you remind them to blow out, not suck in. Just saying!\*
