Subject: *ADOPT RESOLUTION AUTHORIZING THE RELEASE OF PERFORMANCE AND LABOR & MATERIAL BONDS RELATED TO THE MARBLEHEAD COASTAL DEVELOPMENT COMMERCIAL SERVICE ENTRY WALL AND MSE WALL PLANTING IMPROVEMENTS FOR TRACT 8817.*

Fiscal Impact: No. This Resolution involves the bond release of private improvements which the Marblehead Coastal Commercial property owners were responsible for, therefore there is no City fiscal impact related to these improvements.

Summary: Marblehead Development Partners, LLC has completed both the Commercial Service Entry Wall and the MSE Wall Planting improvements in Tract 8817. Inspections by City staff found the project to be complete and in conformance with approved plans and specifications. Staff recommends City Council approval of a resolution to release the performance and labor & material bonds.

Discussion: On June 21, 2005 the City approved a Subdivision Improvement Agreement with SunCal Marblehead, LLC (SunCal) for the improvements required to be constructed with development of the Marblehead Coastal property. The property ownership has changed twice since then, and Marblehead Development Partners, LLC is currently the developer responsible for completing the improvements.

Marblehead Development Partners, LLC has completed and requested release of the Performance and Labor & Material bonds for the Commercial Service Entry Wall and the MSE Wall Planting improvements. The improvements were completed by Marblehead Development Partners, LLC, and will be owned and maintained by the commercial property owners, Craig Realty Group.

Staff has inspected the improvements and found them to be complete and in conformance with the approved plans and specifications. Staff received letters from Craig Realty Group acknowledging acceptance and maintenance responsibility of the improvements. Staff received the recorded Notices of Completion. The required Warranty Bonds in the amount of 25% of the original construction approved value have been received and are on file with the City.
