FESTIVE & FUN

FOURTH OF JULY ACTIVITIES

Bike Decorating Station

Set up a table and invite guests to give their cycles an extreme makeover before you show them off in the neighborhood.

The supplies: Crepe paper streamer; Card stock or craft foam stars; Zip ties; Small flags; Surveyor's tape (also called flagging tape); Curling ribbon; Tulle ribbon; Sparkly garland wire; Balloons

Decorating tips: Weave crepe paper streamers or place stars between spokes. To decorate handlebars, use zip ties to attach stars and flags and tassels made from lengths of surveyor's tape or ribbon, tied at one end. Add decorative garland wire as desired. Tie a balloon to the rear fender, leaving a few inches of slack so that it flies behind when the bike is in motion.
