Add a candle light to the inside and enjoy

Marbled Leaves

Supplies

*Shaving Cream *White Card Stock
*Piece of cardboard *Paint
*Scissors *Aluminum Foil Pan
*Leaf Templates

Directions

Start by tracing and cutting out leaf patterns out of cardstock. Spray shaving cream into the foil pan. Squeeze whatever color paint you want onto the shaving cream, and use a twig or skewer to swirl it around. The next step is going to get a little messy! Take your leaf cutouts and press them into your swirled shaving cream. When you take the leaf out you'll notice it's covered in shaving cream and paint, take a piece of cardboard and scrape the shaving cream off of the leaf. When you do that you gorgeous swirls of colors on your leaves!

Popcorn Tree

Supplies

*microwave popcorn (buttered)
*powdered tempera paint
(red, yellow, orange)
*large ziplock bags *twigs *glue gun
*card stock *glue *small bowls

Directions

Pop a bag of buttered microwave popcorn. Divide the popcorn between 3 large ziplock bags and add a generous spoonful of powdered paint to each bag and shake. Use a hot glue gun to glue some small twigs to pieces of white card stock. Glue the colored popcorn pieces all around the little branches of the twigs,
