

Harvest Festival

Family Thankful Tree

Materials:

Tree material- Brown paper bags, brown packing paper, or cardboard boxes.

Leaf material- colored paper: red, orange, yellow, green, etc.

scissors

Tape

Markers

Jar

Instructions:

1. Build your tree. Use whatever materials you have on hand to build the trunk and branches of your tree. Make a large tree and tape it to the wall or a smaller version and tape/glue it on large display board.
2. Cut out leaves of all different shapes and sizes. Place leaves in jar.
3. Through out the day/weeks/months leading up to Thanksgiving every time you think of something you are thankful for, pull out a leaf and write it on the leaf, then tape the leaf to your tree.
4. On Thanksgiving collect your leaves and read them out loud together!
