

# If I Were President...

By \_\_\_\_\_

After reading the poem "If I Were In Charge of the World", write your own version of the poem. Fill in the blanks so the poem makes sense.

If I were President of the United States

I'd cancel \_\_\_\_\_,

\_\_\_\_\_,

\_\_\_\_\_, and also \_\_\_\_\_.

If I were President of the United States

There'd be \_\_\_\_\_,

\_\_\_\_\_, and

\_\_\_\_\_.

If I were President of the United States

You wouldn't have \_\_\_\_\_.

You wouldn't have \_\_\_\_\_.

You wouldn't have \_\_\_\_\_.

Or "\_\_\_\_\_."

You wouldn't even have \_\_\_\_\_.

If I were President of the United States

A \_\_\_\_\_ and \_\_\_\_\_ would

be a \_\_\_\_\_

All \_\_\_\_\_ would be \_\_\_\_\_,

And a person who sometimes forgot to

\_\_\_\_\_,

And sometimes forgot to \_\_\_\_\_,

Would still be allowed to be

President of the United States.
