

Holiday Building Inspection Availability

Please note that to save money, City Hall will be closed and staff on furlough from December 24 to January 3. City Hall will reopen on Monday January 4, 2020.

Although most non-essential services are not available during the holiday furlough, as in previous years the Building Division will provide limited inspection services during the furlough as a service to our customers.

The Building Division will be staffed with two building inspectors two days during the furlough.

Tuesday December 29 and Wednesday December 30th

Will Yarbrough – (949) 361-6148

Jack Holden – (949) 324-3183

Plan reviews will unfortunately be slowed due to the furlough. The plans examiners have made every effort to approve the plans submitted prior to the holidays. Electronic submittals will be available when approved. Solar permits awaiting review will not be reviewed until 2021. Check the web E-Trakit site for your permit status.
