B. [Senate Bill 2 Emergency Shelter Ordinance](#) (Obrero)

Senate Bill 2, the Emergency Shelter Ordinance (SB 2), requires that cities adopt an ordinance allowing the establishment of emergency shelters to accommodate the local need, by right, in at least one land use zone. This would include at least one year round shelter and other seasonal or year round shelters for homeless persons, threatened or abused women and children, and transitional housing for persons transitioning into permanent housing. The ordinance does not require cities to build or provide funding for such uses. It allows cities to establish standards to regulate and provide emergency shelters' location, size, parking, proximity to other emergency shelters, length of stay, lighting, security and management. The City completed an evaluation of possible zones to meet SB 2 requirements and based on that evaluation, is considering amendments to the Rancho San Clemente Specific Plan and the Zoning Ordinance to allow such uses in the Specific Plan Area's Business Park zone.
