- A. [Zoning Amendment 14-121/General Plan Amendment 14-122/Specific Plan Amendment 14-123, Consideration of Adopting a Resolution to Recommend that the City Council Approve a Negative Declaration of Environmental Impact, Amend the Zoning Ordinance and Amend the General and/or Specific Plans to Implement Senate Bill 2, the "Emergency Shelter Act"](#) (Obrero)

The Planning Commission will continue its discussion from its May 7, 2014 meeting and consider alternative strategies for complying with a State law, “SB 2”, the Emergency Shelter Act. At this meeting, the Commission will review staff responses to Commission questions, review potential shelter capacities of various areas and/or zones, review City Attorney responses to legal questions, review possible development and management standards, discuss alternative strategies for meeting SB 2, and possibly, adopt a resolution recommending City Council actions to implement SB 2.

SB 2 requires cities and counties to allow homeless shelters by right in at least one land use zone. The ordinance does not require cities to build or provide funding for such uses. Local governments may establish standards to regulate emergency shelters’ location, size, parking, proximity to other emergency shelters, length of stay, lighting, security, and to require a management plan. The City completed an evaluation of possible sites and zones to meet SB 2 requirements and, based on that evaluation, identified several areas and zones that may meet SB 2 criteria. The Planning Commission is also considering the possibility of allowing churches to provide seasonal or year around shelter for homeless persons.
