P3a. Description:

The property contains a one-story single family residence with a rectangular plan and wood-frame construction. Designed in the Spanish Colonial Revival style, it has a low-pitch flat roof with clay tiles and a parapet. The exterior walls are clad with smooth stucco. There is a chimney at the eastern end. The primary (north) facade is two bays wide. The easternmost bay contains the entrance under a projecting shed roof with fixed wood windows on either side. The westernmost bay contains a wood casement window. A low stucco wall delineates the property line but is interrupted by the clay-tile path to the main entrance. The fenestration consists of original wood fixed and casement windows throughout the residence. A detached garage stands behind the residence. The residence is in good condition. Its integrity is good.

Area City of San Clemente

Period of Significance 1937-1949 Property Type Residential Applicable Criteria A

This one-story single family residence was built for Mrs. Detmers in 1941. It was constructed by Strang Bros. This property is a typical example of the Spanish Colonial Revival style as represented in San Clemente. This property appears eligible as a contributor to a potential local historic district under Criterion A for its association with San Clemente in the '30s and '40s. It is recommended for retention on the Historic Structures List.
