Acting Deputy Public Works Director  
(949) 361-6135 or [ponsenz@san-clemente.org](mailto:ponsenz@san-clemente.org)

### FOR IMMEDIATE RELEASE

#### NIGHT WORK ON CAMINO DE LOS MARES THROUGH AUGUST

August 19, 2021...San Clemente, California...The City of San Clemente's Street Rehabilitation Project on Camino De Los Mares, from Avenida Vaquero to the I-5 freeway, requires night work due to traffic volume and for public safety. Starting Thursday, August 19 until Tuesday August 31, the work includes traffic detection loop installation and striping. Night work starts at 7:00 p.m. and ends at 5:00 a.m.

Residents are encouraged to use alternate routes. The street rehabilitation may cause temporary inconveniences because of the nature of the work. We appreciate your patience during this period of the project. For project updates, text MARES to 888777.
