

# Memorandum Engineering Division

September 8, 2021

**To:** Planning Commission  
**From:** Saeedeh Farivar, Senior Civil Engineer-Traffic  
**Subject:** **Proposed Parking Prohibitions on Camino Capistrano at Del Gado**  
**Copies:** Zachary Ponsen, Acting Deputy Public Works Director/City Engineer  
 Jennifer Savage, Acting Public Works Director  
 Paul Ketchum, Police Administrative Sergeant

## **ISSUE:**

**Should the Planning Commission forward a recommendation to the City Council to prohibit parking on Camino Capistrano at Del Gado?**

## **BACKGROUND:**

Staff received a request from a resident to consider the prohibition of parking on the corner of Camino Capistrano and Del Gado. The resident indicated a concern that vehicles parking on the north side of Camino Capistrano up to its intersection with Del Gado hinder the line of sight and make exiting from Del Gado onto Camino Capistrano difficult.

Staff reviewed field conditions at various times of day. The combination of vehicles parked close to and beyond the curb return coupled with the presence of a horizontal curve on Camino Capistrano just south on Del Gado makes visibility difficult at this location.

Installing 40 feet of red curb on the north side of Camino Capistrano, south of Del Gado, will improve the line of sight at this location. The proposed parking prohibition would eliminate approximately two on-street parking spaces. However, adequate on-street parking is available in the immediate vicinity and within the remainder of the neighborhood. Staff also discussed the parking prohibition proposal with La Cristianita Preschool located on northeast of the intersection. The parking prohibition will not impact the school, because more than enough number of parking spaces are provided on site and no school pickup/drop off occurs along Camino Capistrano curb site.

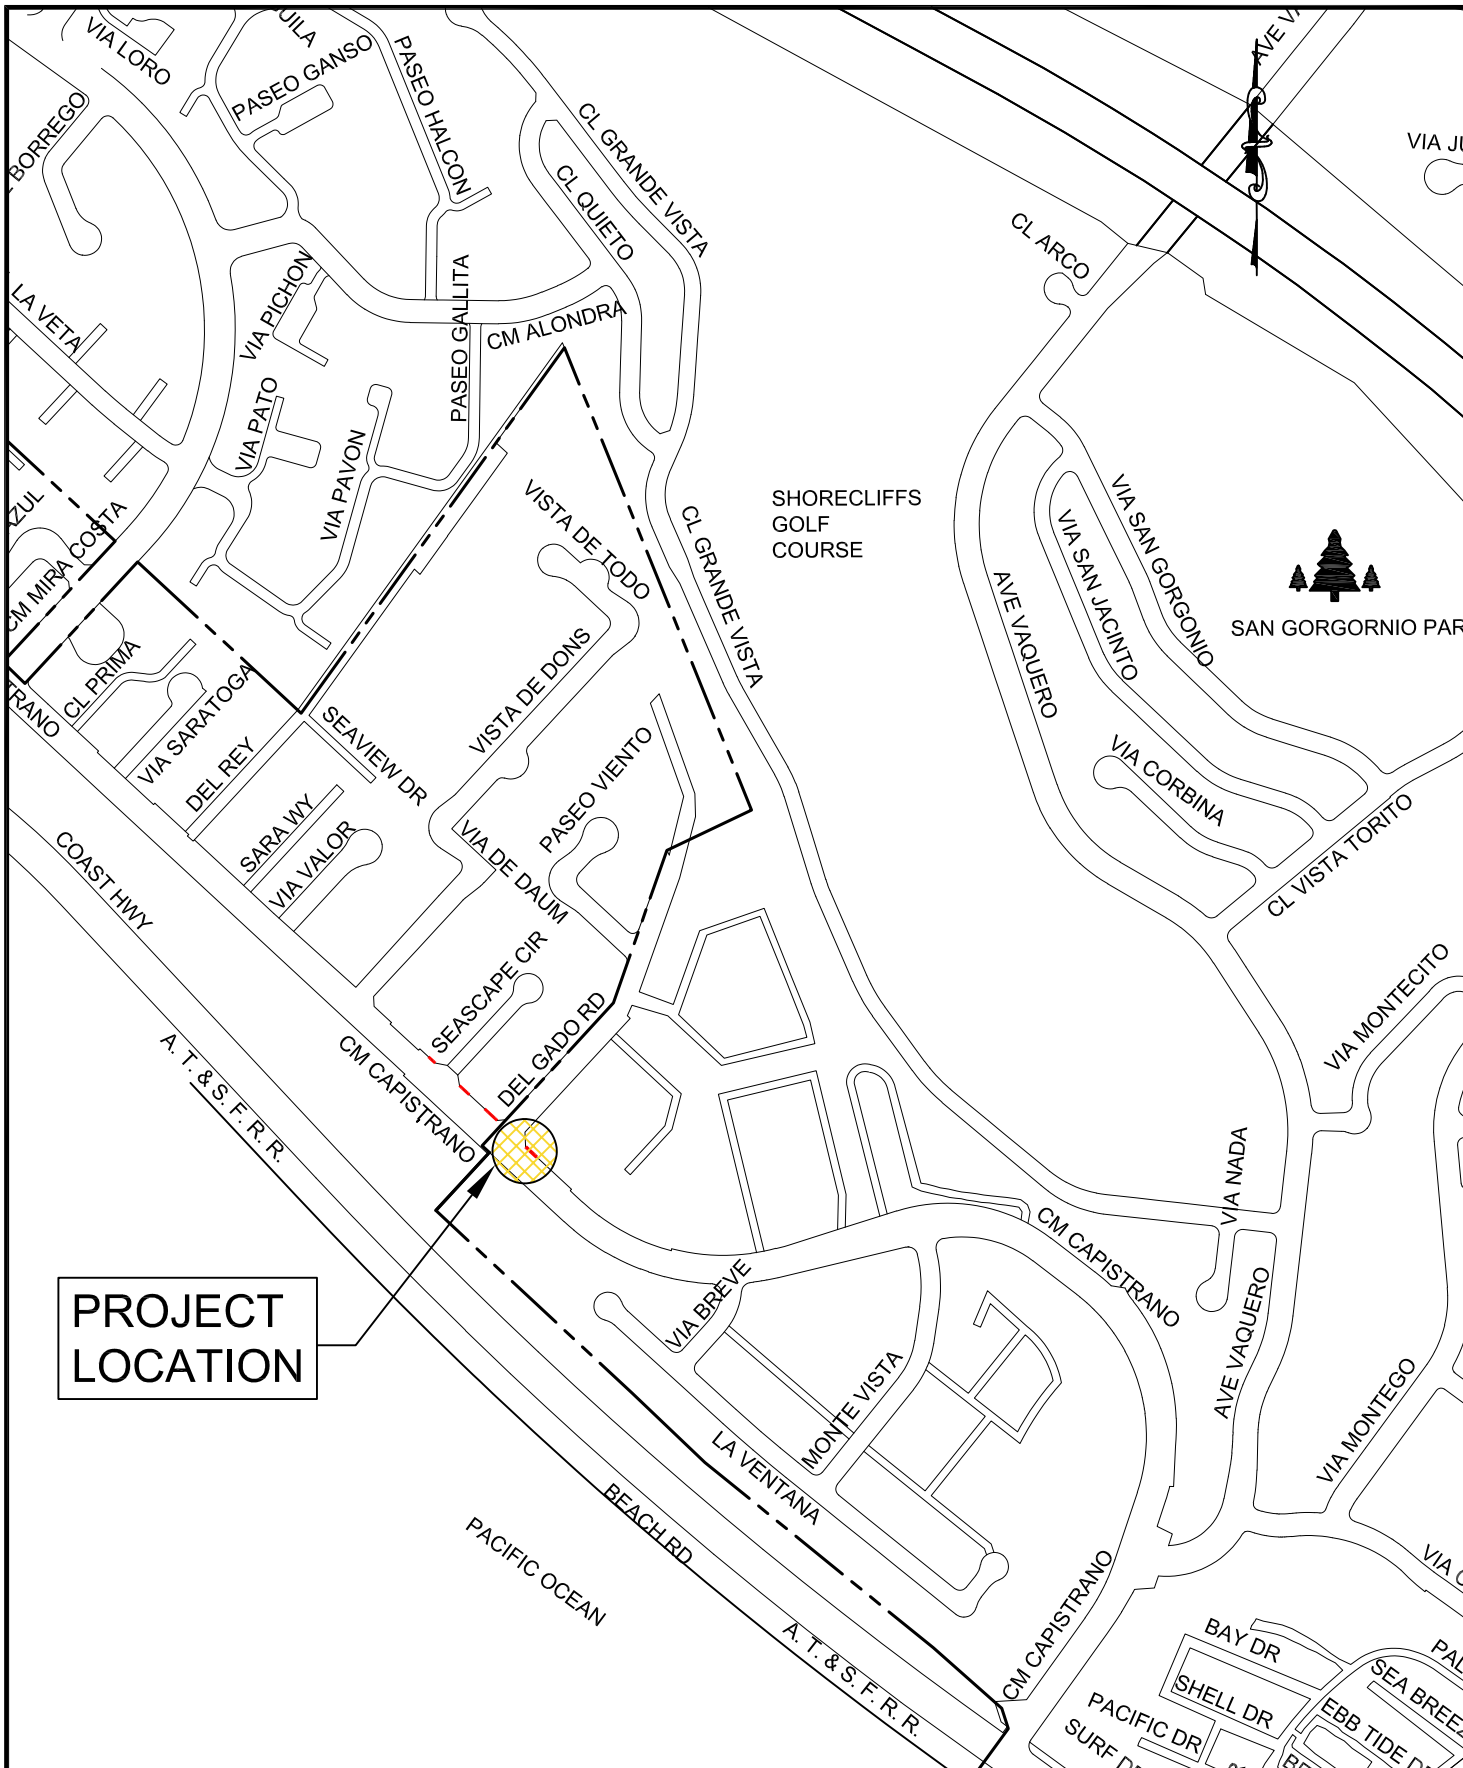

Notices were mailed to residents within 300 feet of the subject parking area to inform the residents that the subject would be considered at this meeting, and the City Council meeting on October 5, 2021.

**RECOMMENDATION:**

STAFF RECOMMENDS THAT Planning Commission forward to the City Council a recommendation to approve parking prohibitions on the north side of Camino Capistrano, from the northeast curb return of Del Gado southerly forty (40) feet.
