COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG)
PUBLIC SERVICE GRANT APPLICATION GUIDELINES

PURPOSE

The City of San Clemente is accepting applications from existing tax-exempt California nonprofit corporations that provide public services for residents of the City that are eligible for Community Development Block Grant (CDBG) funding.

PROGRAM DESCRIPTION

The primary objective of the CDBG program, which is administered by the Federal Department of Housing and Urban Development (HUD), is to develop viable communities by:

- Providing decent housing
- Providing a suitable environment
- Expanding economic opportunities

All CDBG-funded activities must principally benefit persons of low- and moderate-income (as defined by HUD – see below).

The amount allocated for 2022-23 public service programs grant funding is \$49,500. **Please note that funding estimates are subject to change.**

PROGRAM REQUIREMENTS

A. CDBG NATIONAL OBJECTIVE

All CDBG funded activities must meet one of the program's three broad national objectives:

1. Provide benefit to low- and moderate-income persons;
2. Aid in the prevention or elimination of slums or blight; or
3. Meet other community development needs having particular urgency (i.e., declared disaster).

B. BENEFITS TO LOW/MODERATE INCOME POPULATION

Overall, the City requires that 70 percent of CDBG program beneficiaries must meet HUD's definition of a low- or moderate-income person. A person is considered low- and moderate-income if their household income is less than or equal to 80 percent of the county median income. Program beneficiaries must be able to provide evidence of income. Current income limits, adjusted for household size, are as follows:

4	\$107,550
5	\$116,200
6	\$124,800
7	\$133,400
8	\$142,000

Note: Income limits are updated annually by HUD.

C. **BENEFIT TO THE SAN CLEMENTE COMMUNITY**

Eligible activities must show evidence of benefit to San Clemente residents. Reliable accounting of the number of low- and moderate-income San Clemente residents directly assisted with grant funding must be provided. All program beneficiaries must be able to provide evidence that San Clemente is or was their last permanent place of residence for a minimum of three months.

D. **NONPROFIT STATUS**

Eligible service providers must be tax-exempt California nonprofit corporations prior to the application deadline. Proof of nonprofit status must be provided at the time of application. Additionally, applicants must be in good standing with the State of California and the IRS.

E. **PERMITS AND LICENSES**

Programs must have or obtain all proper local, State and Federal permits and licenses. Applicants must also be in full compliance with and in good standing with permit/license issuing agency and applicable land use regulations.

F. **INSURANCE**

All agencies awarded CDBG funds will be required to obtain and maintain the following insurance coverage:
