Broomfield, MT		

8. Please explain any experience that you have in community, governmental, charitable or educational affairs.

Volunteered as a page in the senate in Montana State capital under Governor Mark Racicot. Been a member in multiple Meetup groups over the past 20 years and have also run my own. Current member in an all womens catching group and community comprised of women around the world.

9. The Human Affairs Committee meets on a regular basis on the second Tuesday of every other even month at 3:00 p.m. Please explain any challenges, if any, you may have in meeting this commitment.

None

10. Considering the City's limited financial resources, please describe your views on how the City can address human needs in the community.

Brainstorm solutions based on what has worked in other areas. A common problem in government or corporate organizations is not listening to people who actually deal with the issues daily. I would like to seek practical solutions from those who see things in real time and recognize the importance of followup after

11. Please describe your understanding of the principal roles and responsibilities of the Human Affairs Committee.

To identify current human needs and trends to find practical solutions to long term complex psycho social issues. Act as a liaison between non profit agencies to encourage the implementation of required resources.

12. Please use the space below to explain any other factors about yourself that you would like for the Councilmembers to consider as they review your application.

I have an ability to enroll people into my vision. I choose to always come across authentically and take both a heart and mind approach. In any meeting I go into I make it a point to walk away with
