

CITY OF SAN CLEMENTE GOLF COURSE COMMITTEE APPLICATION

City of San Clemente

JUL 13 2021

City Clerk Department

1. Name: Nicholas Azzolini

2. How long have you lived in San Clemente? 39 years

3. What is your occupation? Substitute Teacher w/CapoUSD

4. Please explain why you would like to serve on the Golf Course Committee.
As a avid (yet lousy) golfer and present member of the Golf Committee I find it an honor and privilege to
serve the city in this capacity. I am also on the board of directors for the SC Men's Golf Club so the two
go hand in hand.

5. Please explain how your background and experience would contribute to the Golf Course Committee.
I don't have a golf pedigree per se but I've been playing here since I arrived in San Clemente and am
familiar with the course, it's personnel and occasionally the city council (unfortunately not this one, yet).
I've been through many changes with the course including the new club house.

6. What is your educational background?

High School/Colleges Attended	Major Field of Study	Degree?
Hoboken High School 1969		
NJ State Univ. @ Jersey City	Criminal Justice	B. of Sc. 1981

7. Please explain any experience that you have in community, governmental, charitable or educational affairs.

Past president of the San Clemente Ocean Festival. Presently an associate member.

Proctor SAT/ACT test for the Capistrano Unified School District

Delivered Meals on Wheels to home bound seniors in SC

Assist at functions with the SC Chamber of Commerce

8. The Golf Course Committee meets the first Thursday in January, April, July and October at 6:00 p.m. Please explain any challenges, if any, you may have in meeting this commitment.

None what so ever.

9. Please describe your views on opportunities, if any, to improve the San Clemente Municipal Golf Course. Personally I think the Muni is a well oiled machine. Considering how short staffed it has been I think

Jordan and his crew do a remarkable job with as many rounds that are played. I understand new hires are on the way so that should resolve any issues with the course. We could do with some marshalling. I am noticing more ungolflike behavior towards the course.

Nothing wrong with the pro shop. Dave and his crew are doing a fine job as well.

As for the restaurant, well, many golfers aren't so happy. They cater to the wedding/banquet crowd which is understandable, but sad. At approx. 90k rounds annually, one would think they could see more potential cash flow coming in.

10. Please use the space below to explain any other factors about yourself that you would like for the Councilmembers to consider as they review your application.

As past president and current board member, the men's club has almost 800 members. Many of us play multiple times a week. I along with the others field comments, complaints and occasional kudos which I then pass onto Jordan and the committee.

The Muni is our little slice of heaven and I enjoy being part of the operation.
