Į,	Please explain why you would like to serve on the Golf Course Committee.
	I am a member of the 9 Tees Women's Golf Club which plays at the San Clemente
	Municipal Golf Course (the "Muni") every Tuesday morning. I also have a Resident's
	pass, and play other days as well. As a regular player at the "Muni," I am invested in
	the course and want it to succeed, by being the best course possible for all to
	enjoy.

i.	Please explain how your background and experience would contribute to the Golf Course Committee.  I started golfing with my dad when I was @ 10 years old. After college, I did
	not play for over 30 years, due to work and family commitments. Last summer,
	I started golfing again, taking lessons from Linda Cook. I was definitely re-bitten
	with the golfing bug. As a regular Muni player, I feel I have a good sense of

		and decisions about
course operations, maintenance, and improve	ements.

8. The Golf Course Committee meets on a regular basis on the first Thursday of each month at 7:00 p.m. Please explain any challenges, if any, you may have in meeting this commitment.  I do not have any challenges, other than if I have a family vacation scheduled which
may coincide with a meeting date. And, if possible, I will work to schedule around
meeting dates.
9. Please describe your views on opportunities, if any, to improve the San Clemente Municipal Golf Course. The Muni is a wonderful community asset. I look forward to the opportunity to enhance
the value of the course for community players and visitors to enjoy. (Currently, I
believe there is an opportunity to improve some of the bunkers on the course, by
manicuring the lips/walls of some of the bunkers, and possibly replacing the sand.)
Please use the space below to explain any other factors about yourself that you would like for the Councilmembers to consider as they review your application.  I love San Clemente and I am so happy to live here. I hope to be able to contribute my
services as a community member and avid golfer.
