CITY OF SAN CLEMENTE
HUMAN AFFAIRS COMMITTEE
APPLICATION

1. Name: Stuart Anderson, MD

2. How long have you lived in San Clemente? 18 years

3. What is your occupation? Retired physician (anesthesiologist)

4. Please explain why you would like to serve on the Human Affairs Committee.
I chose a career providing service and aid. Now that I am retired, I want to continue to help. I believe one of our greatest needs and challenges is to "solve" the homelessness that has proven to be a stubborn, and an increasingly important problem. Hopefully, this committee can help advise the council members on how to resolve this.

5. Please explain how your background and experience would contribute to the Human Affairs Committee.
I have always been a problem solver. My career in anesthesia reinforced and strengthened my problem solving skills, both in the day to day work in the operating room, and in the administration of our department of anesthesia in the hospital.

6. Please explain any expertise that you may have in the area of homelessness.
I became an advocate in the last two years. I have taken the courses offered by United to End Homelessness, and am a member of the citizen Homeless Collaborative Group for San Clemente. I participated in the Point in Time homeless count. I am now volunteering with the Human Affairs Committee work groups: Homeless Community Resource Fair, and Overall Strategy/Best Practices

I taught clinical anesthesia at UCI medical center for five years.

I am a member of the San Clemente Homeless Collaborative Group

9. The Human Affairs Committee meets on a regular basis on the second Tuesday of every other even month at 3:00 p.m. Please explain any challenges, if any, you may have in meeting this commitment.

None

10. Considering the City's limited financial resources, please describe your views on how the City can address human needs in the community.

Fortunately, there is money available from the county, state, and federal governments to help address homelessness. Ideally, any cost to San Clemente will be minimal.

11. Please describe your understanding of the principal roles and responsibilities of the Human Affairs Committee.

The committee is meant to advise the city council members of matters regarding all human needs, including homelessness. The committee meets every other month.

12. Please use the space below to explain any other factors about yourself that you would like for the Councilmembers to consider as they review your application.

I have the skill sets to promote the analysis of issues and the communication of our findings to the Council.
