(1) a Personal Automobile Liability policy for the Consultant's own vehicle stipulating "Automobile Liability Insurance with a limit of not less than \$1,000,000 each accident"; and (2) a non-owned auto endorsement to the Commercial General Liability policy if Consultant uses vehicles of others (e.g., vehicles of employees).

(C) Workers' Compensation: Workers' Compensation Insurance, as required by the State of California and Employer's Liability Insurance with a limit of not less than \$1,000,000 per accident for bodily injury and disease.

(D) Professional Liability (Errors & Omissions): Professional Liability insurance or Errors & Omissions insurance appropriate to Consultant's profession with limits of not less than \$1,000,000 per claim. Covered professional services shall specifically include all work to be performed under the Agreement and delete any exclusions that may potentially affect the work to be performed (for example, any exclusions relating to lead, asbestos, pollution, testing, underground storage tanks, laboratory analysis, soil work, etc.). If coverage is written on a claims-made basis, the retroactive date shall precede the effective date of the initial Agreement and continuous coverage will be maintained or an extended reporting period will be exercised for a period of at least three (3) years from termination or expiration of this Agreement.

3.2.12.3 Insurance Endorsements. Required insurance policies shall contain the following provisions, or Consultant shall provide endorsements on forms approved by the City to add the following provisions to the insurance policies:

(A) Commercial General Liability:

(1) Additional Insured: The City, its officials, officers, employees, agents, and volunteers shall be additional insureds with regard to liability and defense of suits or claims arising out of the performance of the Agreement.

3.2.12.5 Workers' Compensation:

(A) Cancellation: Required insurance policies shall not be canceled or the coverage reduced until a thirty (30) day written notice of cancellation has been served upon the City except ten (10) days shall be allowed for non-payment of premium.

3.2.12.13 Requirements Not Limiting. Requirement of specific coverage or minimum limits contained in this Appendix are not intended as a limitation on coverage, limits, or other requirement, or a waiver of any coverage normally provided by any insurance.

3.2.12.14 Insurance for Subconsultants. Consultant shall include all subconsultants engaged in any work for Consultant relating to this Agreement as additional insureds under the Consultant's policies, or the Consultant shall be responsible for causing

Outreach and Recruiting

Outreach

Outreach begins with the creation of a job announcement and brochure that will be advertised for the public to see on platforms such as *Public CEO*, *California City News*, *Cal-ICMA*, *GovernmentJobs.com* and in *Western Cities* magazine. We will also utilize social media engagement on LinkedIn, networking with top industry leaders throughout the nation, and personal outreach.

Candidate Identification

Following the creation of the job announcement and advertisement of the position, the Bob Hall & Associates team will actively seek out qualified candidates by tapping into the network of talented prospects both local to California and across the country. Unlike other firms, Bob Hall & Associates focuses on adding a personal touch to the identification process by tailoring the recruiting process to the needs and desires of the organization. Our active recruiting style has proved to increase the number of applications and resumes from potential candidates leading to a deeper evaluation of each individual.

Candidate Assessment

Screening

Every application is promptly acknowledged and carefully examined. Those that most closely fit the criteria indicated by the organization will be subject to a more thorough evaluation. Such evaluation will focus on aspects such as professional experience, size and complexity of current organization as compared to the advertised position.

Initial Research and Interviews

Research will be conducted on top candidates in the form of Internet searches and other public profiles to ensure prospects' values, experiences, and history match the criteria established by the organization. Following research, preliminary interviews will be conducted via phone, video-conferencing, or face-to-face, depending on candidates' location.

Selection and Presentation of Top Candidates

Bob Hall & Associates will manage the selected finalist candidates. Top candidates will be presented to the City for consideration to determine which candidates will be interviewed. City will be provided with detailed description of work history and other important information about each candidate prior to selection and scheduling of interviews.

Negotiations

The Bob Hall & Associates team is willing and able to support the City in the negotiation process of the selected candidate's compensation package.

Close Out

After the organization has successfully chosen a candidate, the search will be closed out. This includes informing finalist candidates of the status of the search via telephone.

Project Costs

The recruitment for the City Manager position will be a complete and comprehensive search in an effort to present the City of San Clemente with the most capable, talented, candidates available. The fee to perform the search will be a flat fee of \$22,500. This fee will include advertising and printing. Top candidates will subject to DMV, civil and criminal background, and credit checks. In addition, as an added benefit of using Bob Hall & Associates, this fee will include a list of interim candidates to be considered. This proposal is good for at least 180 days from August 16, 2022.

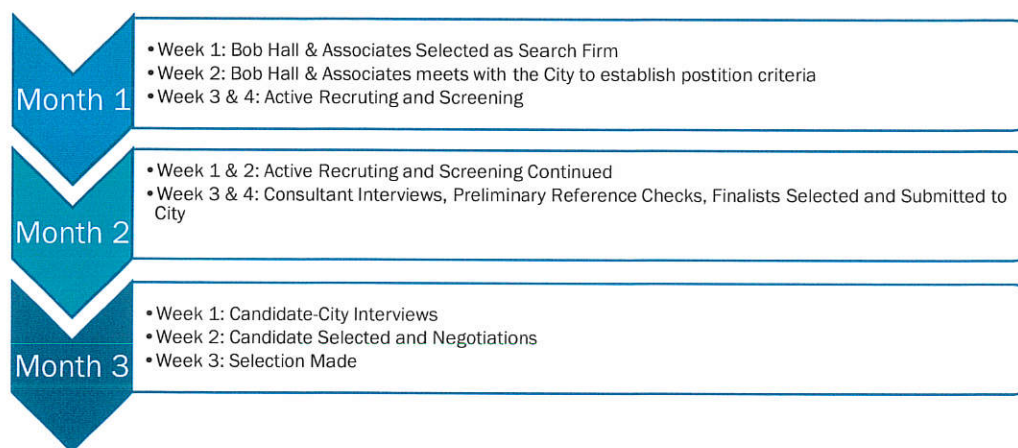

Fees will be collected in three installments as follows:

1. Upon Execution of the Agreement: \$8,000
2. Following Presentation of Candidates: \$7,500
3. Upon Acceptance of Offer: \$7,000

Project Timeline

A typical search will be conducted in a 90 to 120-day period from start to finish. Following the final selection, negotiations can take up to two weeks. The proposed schedule includes four to five weeks of active recruitment, which reflects our suggested minimum timeline. However, this can be adjusted if the City would prefer a longer or accelerated process. An exact schedule will be provided once a firm start date has been provided by the City. If an expedited process is preferred we can reduce the process to about 60 days however we will need ensure review dates and interviews are scheduled early in the process.

The Bob Hall & Associates team guarantees industry-standard services. If within one year following appointment, selected candidate resigns or is terminated for cause, our team will conduct another search free of professional services charges.
