FOR IMMEDIATE RELEASE

City Announces Community Workshop for the Housing Element Rezoning Program

February 13, 2023... San Clemente, California... The City of San Clemente is hosting a Community Workshop on Thursday, February 23, 2023, from 5:30pm to 6:30pm to share the City's efforts to implement the Housing Element Update. This effort includes adoption of a Housing Overlay District and the creation of objective design standards that will modify review processes and regulations for future multi-family and mixed-use projects. The goal of the workshop is to inform the community, provide project timeline, and solicit public input. The meeting will be held in the Council Chambers of City Hall, 910 Calle Negocio, San Clemente, CA 92673, more information is available at the City's website: [Long-Range Planning Projects City of San Clemente, CA \(san-clemente.org\)](https://www.san-clemente.org/Long-Range-Planning-Projects-City-of-San-Clemente-CA)

Please sign up for the mailing list to stay informed on project progress and to receive future notices of upcoming meetings. Contact Sara Toma at TomaS@san-clemente.org to register for attendance.
