4/19/2023...San Clemente, California... The City of San Clemente is pleased to announce its recognition as a Tree City USA by The Arbor Day Foundation. The recognition is a demonstration of the City's commitment to growing and maintaining our urban forest.

In celebration of Arbor Day, the City will be hosting a tree planting event at 9:00 a.m. on Friday, April 28, 2023, at Forester Ranch Community Park located at 3207 Camino Vera Cruz. Several community groups contributed funds to purchase the trees to be planted and will be participating in the event. City staff will be providing tools, gloves and water for participants.
