### FOR IMMEDIATE RELEASE

#### **Casa Romantica Slope Failure Update**

April 28, 2023...San Clemente, California... In collaboration with the OCFA Urban Search and Rescue team, City Building officials have continued to monitor the land movement at Casa Romantica.

For safety purposes, the residential structure northwest of Casa Romantica has been completely evacuated and red tagged. Six of the units were occupied on a full time basis. The site continues to be active and is being constantly monitored.
