RE: Community Resource Fair, March 9, 2023

Ms. Steel –

Thank you for participating in the above-referenced community event hosted by the City of San Clemente's Human Affairs Committee. Your support is appreciated and your attendance contributed the success of the committee's first event since the pandemic.

The 40 to 50 visitors that came through the fair walked away with a good understanding of what is available to those in need of services, such as yours.

We are striving to build upon this year's event in 2024, and The Noble Path Foundation will be on our list of organizations that we reach out to once we have a date to share. In the meantime, please reach out to us with any questions, comments, suggestions or referrals. All are welcome!

Respectfully,

Lisa Edone, Chairman
HUMAN AFFAIRS COMMITTEE
