1. Rabies vaccination must be current for the entire licensing period. If your dog has been revaccinated since your last application, a copy of rabies certificate is required so we can update your record.
2. If your dog has been spayed or neutered since your last application, please submit a certificate of spay/neuter signed by a licensed veterinarian.

Consider making a tax-deductible donation to the **Pet Project Foundation** to help keep the San Clemente-Dana Point shelter pro-humane, a safe haven where these cities' lost and abandoned animals are kept and loved until they are reunited with their owners or placed in new loving homes . . . no matter how long this takes. Please make your check payable to: **SC-DP Animal Licensing** and note on the front of the application the amount of your donation.

Please mail your application promptly. If you have any questions regarding licensing, please call toll-free **1-855-881-9368** or visit **www.petdata.com/cst**. For all other inquiries, please call 949-492-1617.
