EXHIBIT A

2.29.015 - Mission

The Coastal Advisory Committee exists to address coastal concerns on San Clemente Beaches with its primary mission being sand replenishment and retention. The Coastal Advisory Committee will seek to further the enhancement and enjoyment of San Clemente Beaches through preservation and restoration through beach nourishment and retention, to preserve, enhance, and where necessary, restore the quality of the coastal water resources and ensure proper and efficient use of the beaches, surf zone and coastal area for the benefit of present and future generations. The Committee shall strive to raise public awareness in promoting a positive environmental stewardship for the greater good of the San Clemente area.

The Committee shall advise the City Council by making recommendations on policy, programs and regulations related to the City's coastal environment and resources. Additionally, the Committee shall work to raise public awareness and promote a shared environmental vision by facilitating partnerships between State and local departments, community groups and businesses. In carrying out its mission the Committee shall promote forward-looking solutions regarding coastal resource issues including, but not limited to, air and water quality, pollution prevention, beach and coastal zone preservation, stewardship, solid waste reduction/recycling and sustainability.
