

San Clemente 2023 Districting Public Participation Kit

An online version of this map that allows you to zoom in and out for more detail is available as a link from the City website.

Each number indicates the total population of that "population unit" area. Each district must have essentially equal population. The population of each of the 4 districts must be close to 16,096, with no more than a 1,609 difference between the largest and smallest. (If you wish to draw a 5-district map, each of the districts must be close to 12,877, with no more than a 1,287 difference between the largest and smallest.)

Please use a thick dark-colored pen to draw your map, then submit it at City Hall or by email to districtelections@san-clemente.org.

You can hand-deliver, mail, fax, scan and email, or photograph and email your map.
